

**Enjoy Being Creative and have your Graphics and Animation Stand out!**

## **Adobe Photoshop & Flash**

**CIS 159**

**This is a required course for the Web Design Degree or Web Design Certificate!**

Photoshop is an image editing program. Students will learn how to manipulate graphic images. Adobe Photoshop allows students to retouch photographs, merge and edit color images, and create collages or original art work. This software can also be used in producing images for online and print media.

**January 17<sup>th</sup> – May 16<sup>th</sup>**

**M W 7:30 pm to 8:50 pm**
