

Scholarship 101: How To Find Scholarships And Write A Scholarship Letter

Looking to apply for a scholarship but don't know how? Are you someone who is intimidated by the long list of possible scholarships and don't know where to start? Come to this workshop to find out some easy ways to search for scholarship opportunities. In addition, we will work on a letter to accompany your scholarship application, and answer any questions you might have. By the end of this workshop you will have selected at least 1 scholarship and began the application process.
