

What exactly is Toastmasters?

Toastmasters International is a worldwide nonprofit educational organization that empowers individuals to become more effective communicators and leaders.

WHERE LEADERS ARE MADE

Headquartered in Englewood, Colorado, the organization's membership exceeds 357,000 in more than 16,600 clubs in 143 countries. Since 1924, Toastmasters International has helped people from diverse backgrounds become more confident speakers, communicators and leaders.

The mission of a Toastmaster Club is to provide a mutually supportive and positive learning environment in which every member has the opportunity to develop communication and leadership skills, which in turn foster self-confidence and personal growth.

Toastmasters members are encouraged to present impromptu and prepared speeches, learn how to plan and manage meetings, give and receive constructive feedback and participate in a comprehensive, self-paced education program.

These meetings are open to anyone in the community; it is not necessary to be a student or staff member of Morton College.
