

MORTON COLLEGE BOARD POLICY

Illinois Community College District No. 527

TITLE: Ownership and Benefits from Staff Developed Materials and Devices

NO. 8.10

SECTION: Institutional

PAGE: 1 of 1

It is the policy of the Board to encourage staff development of new methods of instruction, writing new materials, computer programs, texts, audio visual, and similar types of materials or devices, when such development and/or promotion does not interfere with the staff member's normal duties.

Ownership of such materials, under circumstances stated herein, may be with the staff member; however, the College shall, in perpetuity, be granted free use of such materials and devices and such other compensation as may be appropriate.

Prior to undertaking the development or sale of material or devices which are produced at the college, or utilizing college resources, the staff member shall obtain written approval of the President or his designee to develop such materials or devices; otherwise, ownership of such materials or devices shall remain with the college.
