

LAW ENFORCEMENT EDUCATION (LEE)

ASSOCIATE IN APPLIED SCIENCE DEGREE

This curriculum trains students for a career as law officers at the city, state or federal levels or in retail or industrial security. It serves students with no previous experience; those presently employed; or those seeking advancement.

PROGRAM OUTCOMES:

- 1. Demonstrate competency requirements in entry-level position as a law enforcement officer.
2. Identify problem-solving skills that will correlate to those used by law enforcement officers.
3. Demonstrate the ethical and professional standards used by law enforcement officers.
4. Prepare to meet state requirements for state certification as a law enforcement officer.
5. Prepare to transfer to a four-year college or university to receive a baccalaureate degree in Law Enforcement or Criminal Justice after completing their two-year degree at Morton College.
