<sup>\*</sup>Note: Completion data pending with new certificate.

<sup>\*</sup>Due to low response rates on graduate follow-up surveys, this data is not available for this period.

<sup>\*</sup>The median is computed for all students completing the program, including those that do not incurr debt from loans. Median debt is not disclosed for programs with less than 10 graduates in the reported time period. Median debt includes all debt incurred by students including amounts borrowed for future studies or personal expenses. Median debt may exceed the actual cost of the educational program for this reason.
