

PLACEMENT TESTING DURING COVID-19

MORTON COLLEGE

There are some eligibility requirements to participate in remote testing.

Students must have access to the following:

- Desktop or laptop computer with internet access (Chromebooks, tablets and phones are not suitable testing devices)
- Webcam
- Audio capability either with internal or external microphone
- Private testing area within their residence
- Computer must pass a system scan of the minimum hardware requirements for ACCUPLACER testing

Morton College continues to provide placement testing during COVID-19. Students are able to schedule an appointment through their Academic Advisor for either a remote exam or an on-campus exam. Remote exams will be proctored using the Zoom video conferencing platform. Please review the listed requirements to participate in remote testing.

Please contact your Academic Advisor to determine eligibility and schedule an exam.
