NEW STUDENT REGISTRATION

FOR STUDENTS WHO:

- ARE NEW TO MORTON COLLEGE
- HAVE NOT ENROLLED IN COURSES AT MORTON COLLEGE IN THE LAST FIVE YEARS

1. FILL OUT NEW STUDENT INFORMATION FORM

Pick up a New Student Information Form from the Office of Admissions and Records located in Building B, first floor.

If you plan to earn a degree or certificate, also submit the following information:

- Official and sealed high school transcript or GED test scores
- Official and sealed transcripts from all colleges previously attended
- International Students are encouraged to submit evaluated transcripts through Educational Credit Evaluators (<http://ece.org>).

To obtain transcripts, contact the school district (high school), previous college, or organization that facilitated your test (GED®). Also complete a Request for Transcript Evaluation form if you plan to use credit earned at another college toward a degree or certificate program at Morton College. Forms are available in the Office of Admissions and Records.

If you do not intend to earn a degree or certificate, submit only your New Student Information Form. You must reapply if you have attended Morton College before but have not enrolled in the last five years.

To obtain an enrollment package, contact the Office of Admissions and Records at (708) 656-8000, Ext. 2346. If you would like to take a tour of Morton College, please call (708) 656-8000, Ext. 2359.

2. PLACEMENT TESTING

Students intending to enroll in an English or Mathematics course must complete placement testing. Placement testing determines proficiency in English, reading and mathematics, helping you to register for courses that best develop your skills in these essential areas. To learn more about placement testing, call (708) 656-8000, Ext. 2250.

3. COMPLETE NEW STUDENT ORIENTATION ONLINE

New Student Orientation (NSO) is mandatory for all new students and is an essential step in beginning your educational journey at Morton College. The orientation will prepare you to be a successful student while completing your degree.

NSO is completed in two parts, NSO Part I is completed online by visiting your Panther Portal. Once you complete NSO Part I, you are ready to meet with your assigned Academic Advisor and register for classes.

NSO Part II will be held virtually. After completing NSO Part I, College Advising will reach out to the student to schedule NSO Part II. NSO Part II will be held virtually on January 7, 2021.

INCOMING TRANSFER STUDENTS SHOULD MEET WITH AN ACADEMIC ADVISOR: Stop by our academic advising office to meet with one of our academic advisors or to make an appointment. Here you can discuss placement results, transcripts, and academic planning for your registration.

4. SELECT COURSES AND REGISTER

Register for courses in the Office of Admissions and Records located on the first floor of Building B or online at <http://my.morton.edu>. Students enrolling in instructional programs with state and/or federal licensure requirements, including residency and employment eligibility requirements, should contact the appropriate regulatory agency prior to enrolling in classes.

To qualify for course registration and to qualify for the in-district tuition rate, proof of residency or proof that you work in the District is required. A current driver's license, voters registration card, recent utility bill, current bank statement, State of Illinois ID card or matricula are acceptable forms of identification. Students who register late will be charged a \$50 late fee. To utilize Alumni waiver, registration must be done in the Office of Admissions and Records no earlier than two weeks prior to the start of class.

5. PAY TUITION AND FEES

Students will receive a tuition bill at the time of registration. Students are responsible for all tuition and fees. The college will refund tuition and fees if the student completes the official withdraw procedures within the published refund schedule. Requests to withdraw from courses are not taken by phone. It is the student's responsibility to officially withdraw from classes. Note: Students who do not pay their tuition and fees by the due date may be dropped from the courses. Students dropped for non-payment may re-register without a guarantee they will enroll for the same course schedule.

Students who fail to meet their financial obligation to the college will be excluded from future enrollment. Furthermore, all records and transcripts will not be released until the financial obligation has been completed. If necessary, student accounts will be turned over to a collection agency.

6. OBTAIN STUDENT ID CARD

To Obtain a student ID or have your current ID card validated visit the Student Activities Office, 2nd Floor, Building C with a valid D. For more information, call (708) 656-8000, Ext. 2262.

7. PURCHASE BOOKS

Once you receive your course schedule, you may purchase required books and materials at the Bookstore located in Room 134C.

FREQUENTLY ASKED QUESTIONS

ADMISSIONS AND RECORDS

SIGNATURES

Q: I need to drop a course, how do I drop and when?

A: A student may drop on-line or in-person with an academic advisor. Please refer to the Academic Calendar for applicable dates.

REFUNDS

Q: The refund deadline has passed. Can I still drop my class and get a full refund?

A: The college may award 100% refunds and late withdrawals to students who present documentation of extenuating circumstances. See pages 13-14 for more details.

Morton College reserves the right to approve or deny any claims. Appeals to a decision must be made in writing to the Provost.

ENROLLMENT VERIFICATIONS

Q: How do I get proof that I am enrolled in classes.

A: Students can complete Enrollment Verification requests at the Office of Admissions and Records. Students need to present valid ID for processing. The turnaround time for enrollment verification requests is 24 hours from the time of initial request (excluding weekends and holidays). Enrollment verifications for future semesters will be processed after the 10th day of class for that semester.

EMPLOYER VERIFICATION FOR IN-DISTRICT TUITION RATES

Q: I work in-district. Am I eligible to receive in-district tuition rates?

A: Employees of profit and nonprofit businesses or agencies located within the College district may enroll in Morton College courses at the in-district tuition rate with written approval of their employer. Verification of employment must be on company letterhead and include employee works at least 35 hours per week. The verification must also include supervisor name, title of supervisor, contact phone number of supervisor and student's position. To be eligible for this special tuition rate, employment verification must be presented at the time of initial registration for the semester. For more information, see page 13.

NON-PAYMENT

Q: I did not pay my tuition bill. Will I be dropped from my classes for non-payment?

A: Refunds for tuition and fees only occur when official withdrawal procedures are properly completed within the advertised Tuition Refund Table located in the current Morton College course schedule. Telephone requests to be withdrawn from courses are not accepted. The college does not grant refunds to students who:

- voluntarily enlist in military service following the close of the refund period
- are dismissed for disciplinary reasons

- are financially obligated to a college department or office at the time of withdrawal
- withdraw from courses after the posted deadline

The college may award 100% refunds and late withdrawals to students who present documented extenuating circumstances. Extenuating circumstances include: serious illness or injury to the student that required extended recovery, death or serious illness of an immediate family member, significant trauma in the student's life that impaired the student's emotional and/or physical health. Third-party verifiable documentation is required to have a refund request considered by the committee. Refund requests must follow the Student Complaint and Grievance Procedures. Completed packets must be submitted to the Dean of Student Services via the Academic Advising Office located on the 1st floor of B Building. All requests must be completed within 30 college-business days of the end of the term in question.

Morton College reserves the right to approve or deny any claims. Appeals to the decision must be made, in writing, to the Provost.

EXPLANATION OF STUDENT'S SCHEDULE

Q: How do I know when my classes begin and where they meet?

A: Days are noted on the schedules given by the Office of Admissions and Records are as follows:
M—Monday, Tu—Tuesday, W—Wednesday, Th—Thursday, F—Friday, Sa—Saturday, and Su—Sunday. You can also find the hours for each class, as well as which building (B, C, D, E, Cicero Fire Department, or Morton West HS) the class is in.

REGISTERING ONLINE

Q: I am having trouble registering online. What should I do?

A: Students often cannot register online because of a past due balance with Financial Aid, Business Office, Library, and/or Athletics. Contact Admissions and Records for further information at (708) 656-8000 Ext. 2346. For login or technical issues with Panther Portal please dial (708) 656-8000 Ext. 2444.

EXPLANATION OF TRANSCRIPT COST

Q: How much does a Morton College transcript cost?

A: There is no cost for an unofficial transcript. Unofficial transcripts are not sealed and can be requested in the Office of Admissions and Records or through a student's Panther Portal. There is a cost for official transcripts. Official transcripts are sealed and verified. Requests for transcripts are done electronically. Students needing an official transcript should visit the Morton College website at <http://www.morton.edu/Admissions-and-Registration/Request-Official-Transcripts/> for more information.

ACADEMIC ADVISING

PLACEMENT

Q: How can I prepare to take the placement exam?

A: Students can access testing study guides through the "Quick Links" by selecting "Study Guides". This will link directly to the page where the Accuplacer and Geometry study guides can be downloaded and printed.

Q: How do I know what English and math courses I should take?

A: Students who plan to take credit courses at Morton must take Morton's placement tests. However, under certain conditions, you can have this requirement waived. For example, if you received a sub-score of 18 in the Reading & English component on your ACT, 490 or above on your SAT, or if you completed English 101 with a grade 'C' or better at another institution.

Q: If I test into English 082, 084, 086 or 088; can I take other courses?

A: Speak with an advisor to determine which courses, if any, you are able to take in addition to English developmental courses.

FULL-TIME VS PART-TIME

Q: What is the difference between a full-time and part-time course load?

A: Morton defines a full-time load as 12 or more credit hours. A part-time load is anything less than 12 credit hours.

CREDIT HOURS

Q: What is a credit hour?

A: A credit hour, sometimes called a semester hour, refers to the number of credits you receive toward graduation for each class you complete successfully. Credit hours are determined by the number of hours per week you are in class for that course. For example, a class meeting from 9–9:50 a.m. three days a week, generally will earn three credit hours.

REQUIREMENTS FOR DEGREES AND CERTIFICATES

Q: What is the difference between the Associate of Arts or Associate of Science degree and the Associate of Applied Science degree?

A: These degrees all require a minimum of 62 credit hours but have different purposes. The Associate of Applied Science (A.A.S.) degree prepares students for entering a career field (e.g. Law Enforcement, etc...), while the Associate of Arts (A.A.) and Associate of Science (A.S.) degrees satisfy the requirements for the first two years of a baccalaureate degree. Therefore, A.A. and A.S. degrees require a greater number of general education courses.

Q: What is a certificate?

A: A certificate consists of career courses in a chosen program. Students who already have a degree may decide to pursue a certificate when changing fields.

Q: What courses will meet the requirements for a degree or a certificate?

A: The College Catalog lists all requirements for degrees and certificates by program. You must familiarize yourself with the Catalog, since this document is an agreement between you and the College.

Q: How much time will I be expected to study for each course?

A: This varies among individuals. A good suggestion is that students should spend two to three hours outside of class for each hour in class per week. Therefore, a full-time student should allow 24 to 36 hours of study time per week.

ONLINE LEARNING

Q: Does Morton College offer online courses?

A: Yes, several. Visit morton.edu for more information on distance learning opportunities.

Q: How many courses should I take?

A: This can only be answered by the student. In general, students who work full-time may prefer to take fewer classes than students who do not work or work part-time. You need to judge how best to balance your work schedule with your academic load, social life and other responsibilities.

TRANSCRIPTS AND TRANSFERRING COURSES

Q: How much does a Morton transcript evaluation cost?

A: Morton does not charge a fee for evaluating a transcript.

Q: How do I calculate my grade point average (GPA)?

A: Grade points are calculated by multiplying the number of credit hours of each course by the grade earned. ("A"=4, "B"=3, "C"=2, "D"=1 and "F"=0). Divide the grade points earned by the number of hours taken.

Q: How do I raise my GPA?

A: You must earn higher grades in your courses. You may re-take courses in which you have received a low grade. If you re-take a course at Morton College, the higher grade will count in your GPA, but both grades will continue to show on your transcript. In other words, replacing a "D" or "F" grade with an "A", "B", or "C" will raise your GPA more quickly than taking new courses.

To achieve academic success:

1. Plan your course load carefully
2. Visit the Individual Learning Center to develop study skills and strategies or when necessary, seek tutoring assistance.

Q: I got a D in a course. Should I take it over?

A: This depends on the course and its importance in your major. If you believe you can do significantly better in the class the second time around and it is necessary for your major or chosen career, it is probably a good idea to retake the course. Both grades will appear on your transcript. However, the higher of the two will count in your GPA. It is also important to remember that many universities do not accept D grades in transfer.

continued on next page

FREQUENTLY ASKED QUESTIONS CONT.

Q: I have taken classes at another college or university. Will they count at Morton?

A: To find out, you must have your transcript evaluated. The evaluation process consists of three steps:

- Have an official sealed transcript mailed to Morton from your former college or university.
- Contact your former college or university's Registrar Services directly to start the process.
- Complete a Request for Evaluation Form with an Academic Advisor.

Q: I have a degree from a college or university in another country. How will it transfer?

A: To receive credit for coursework from another country, the foreign transcripts must be evaluated by Educational Credential Evaluators (ECE) in Milwaukee, Wisconsin. A form with instructions is available in the Advising Department. Refer to the ECE form for appropriate foreign transcript evaluation fees. Remember to complete a Request for Evaluation Form and list Morton College as the transfer institution.

Q: Will my GPA from other colleges transfer?

A: No, your GPA starts over at Morton.

ADVISING MEETINGS

Q: Do I have an Academic Advisor?

A: All students at Morton College are assigned one academic advisor. Visit your Panther Portal to view your academic advisor.

Q: Is it mandatory to see my assigned Academic Advisor to register for classes in my first year?

A: All first-year students must complete a mandatory appointment with their assigned academic advisor in both the fall and spring terms of their first year in order to be able to register for classes for the next term.

Q: Can I plan my own program without seeing an advisor?

A: It is mandatory to see your advisor before or during your first term. Students are encouraged to continue to visit advising on an ongoing basis.

Q: How should I prepare for my advising meeting?

A: You should arrive with an idea of what you would like to discuss. Be sure to bring tools to take notes, and be willing to share and explore interests and or concerns.

WAITLISTING

Q: When Can I use Online Wait List?

A: You can add yourself to the online Wait List for a class from the time the class is full until the first day the course begins. Online Wait Lists are terminated at the start of the semester.

How Online Wait List Works

- If a class is full, you can place yourself on an online wait list until a seat becomes available.
- The number of seats available on a wait list is based on the course cap/limit.
- If a seat becomes available, the student who is first on the wait list will get the seat.
- Prerequisites for the class must be met before you can be placed on the online wait list.
- You will not be allowed to wait list for multiple sections of the same course.
- If you move from the online wait list into the class, you will receive an email notification confirming enrollment in the class.
- You will not be billed for any wait listed classes but will be billed if moved from an online wait list into a class. It is important to check your class schedule and account summary regularly before the start of the term to avoid being dropped for non-payment of tuition and fees.
- If you are moved from a wait list into a class, it is your responsibility to drop the class (as is true for all classes) if you decide not to attend.
- There is no guarantee that you will be enrolled into a course once you are on the wait list.

Wait List Restrictions

Students will be moved from the online wait list into a class if space becomes available, and in the order in which they were waitlisted, unless either of the following restrictions apply:

- There is a time conflict with another registered class.
- You are already enrolled in another section of the same course. A choice must be made at the time of registration whether to enroll into a waitlist course or enroll in another section.

How to Add a Wait List Course to Your Schedule:

1. Log into your Panther Portal at <http://my.morton.edu>
2. Navigate to Panther Central on the bottom right hand corner of the page.
3. Navigate to Search and Register for Classes
4. Choose the term you wish to register for
5. Search for the courses you wish to register for by entering information in the course, section, day or time fields.
6. If a class is full and wait listing is an option for the course you should follow the steps to enroll in the course and choose "Waitlist me" as the option when prompted to.

Students will receive a tuition bill at the time of registration. Students are responsible for all tuition and fees. The college will refund tuition and fees if the student completes the official withdraw procedures within the published refund schedule. Requests to withdraw from courses are not taken by phone.

It is the student's responsibility to officially withdraw from classes. Note: Students who do not pay their tuition and fees by the due date may be dropped from the courses. Students dropped for non-payment may re-register without a guarantee they will enroll for the same course schedule.

Students who fail to meet their financial obligation to the college will be excluded from future enrollment. Furthermore, all records and transcripts will not be released until the financial obligation has been completed. If necessary, student accounts will be turned over to a collection agency.

COURSE EXCHANGE

You may exchange one course for another (drop and add) during the 100% refund period.

You will be responsible for paying any additional tuition and fees that may result from the new course. Course drops will be subject to a refund based on the Tuition Refund Schedule.

TO DROP A COURSE OR WITHDRAW

Students may withdraw or drop a course online through the Panther Portal or through the Office of Admission and Records by completing a drop form.

The date of your official withdrawal determines both your final grade and whether you will receive a refund for the course.

COURSE CANCELLATIONS

Courses will be held as scheduled unless canceled due to insufficient enrollment or other College considerations. The College reserves the right to cancel any course for insufficient enrollment or for other reasons deemed necessary by the College. The College, at its discretion, may adjust course starting and ending dates as well as meeting times or days. Should a course be canceled, a full refund of tuition and fees will be issued. For more information, please see our website at morton.edu.

FINANCIAL AID

Financial aid is available in the form of federal grants, work-study and local scholarships. To become eligible for financial aid, complete the Free Application for Federal Student Aid or apply online at www.FAFSA.ed.gov to generate a Student Aid Report (SAR). A SAR must be on file for the current year before any financial aid or student loans can be processed. Those applying early will be given priority consideration for these limited funds. Financial aid forms are available in the Financial Aid Office, Room 232B. Spring semester Financial Aid Office hours of operation are:

8:00 a.m. to 8:00 p.m. Monday—Thursday

8:00 a.m. to 4:30 p.m. Friday

For more information call:
(708) 656-8000, Ext. 2328 or 2229.

VETERANS' BENEFITS

Morton College is an approved educational institution for training veterans. The Financial Aid Office has applications for all federal and state veterans' programs. Students intending to utilize their benefits this semester must contact the Financial Aid Office and complete a Veterans' Benefit Sign-Up Sheet. This form must be completed every semester to continue benefits at Morton College.

Applications, forms and more information are available in the Financial Aid Office, Room 204B. For more information, call (708) 656-8000, Ext. 2228.

REFUND POLICY

Refunds for tuition and fees only occur when official withdrawal procedures are properly completed within the advertised Tuition Refund Table located on the next page of this course schedule. Telephone requests to be withdrawn from courses are not accepted. The college does not grant refunds to students who:

- voluntarily enlist in military service following the close of the refund period
- are dismissed for disciplinary reasons
- are financially obligated to a college department or office at the time of withdrawal
- withdraw from courses after the posted deadline

THE COLLEGE MAY AWARD 100% REFUNDS AND LATE withdrawals to students who present documented extenuating circumstances. Extenuating circumstances include: serious illness or injury to the student that required extended recovery, death or serious illness of an immediate family member, significant trauma in the student's life that impaired the student's emotional and/or physical health. Third-party verifiable documentation is required to have a refund request considered by the committee. Refund requests must follow the Student Complaint and Grievance Procedures. Completed packets must be submitted to the Dean of Student Services via the email at deanofstudents@morton.edu. All requests must be completed within 30 college-business days of the end of the term in question.

Morton College reserves the right to approve or deny any claims. Appeals to the decision must be made, in writing, to the Provost.

SPECIAL TUITION RATES

IN-DISTRICT EMPLOYEE TUITION RATE

Employees of profit and nonprofit businesses or agencies located within the College district may enroll in Morton College courses at the in-district tuition rate with written approval of their employer. Verification of employment must be on company letterhead and include employee works at least 35 hours per week. The verification must also include supervisor name, title of supervisor, contact phone number of supervisor and student's position. To be eligible for this special tuition rate, employment verification must be presented at the time of initial registration for the semester. Verifications must be presented each semester and cannot be duplicates from previous semesters.

More information and employment verification forms are available in the Office of Admissions and Records located on the first floor of Building B.

Employees of profit businesses and non-profit organizations located within Morton College's district, District 527, may enroll in courses at the in-district rate with written approval from their employer. An employer's written approval must be on company letterhead and include a supervisor's name, title, contact and phone number as well as the student's job title and responsibilities. To be eligible for the special tuition rate, employment verification must be presented at the time of initial registration for the semester. To continue to be eligible for special tuition rate, the student must submit employment verification every semester the student will be attending Morton College and submit this at the time of registration.

SENIOR CITIZEN TUITION RATE

Morton College is committed to the principle of life-long learning and, therefore, waives tuition and the registration fee for its senior

continued on next page

citizens (age 62 or older at time of registration) for credit and non-credit courses. Laboratory and other fees will be assessed where applicable. Additionally, the cost of books and personal supplies for classes are not covered by this waiver.

NELNET TUITION PAYMENT PLANS

If your total tuition and fees exceed \$100, you may be eligible for an Nelnet Tuition Payment Plan. A nonrefundable service fee is added to the total bill, and an initial payment is required. The remaining balance will be due and payable in installments as outlined in the Nelnet Tuition Payment Plans Schedule.

To be eligible for a Nelnet Tuition Payment Plan, students must have settled all previous outstanding account balances with Morton College and total tuition and fees must exceed \$100.

Enrollment in a Nelnet Tuition Payment Plan is available only online at Panther Portal located at: <https://my.morton.edu>.

The payment plan can accommodate down payments and monthly payments. Down payments are deducted immediately from the financial account provided on the agreements. Nelnet Tuition Payment Plans are not available for the summer semester after January 25, 2021.

How do I apply for financial aid?

To apply for need-based federal grants, student loans and work-study, all students must complete the Free Application for Federal Student Aid (FAFSA). Morton College's federal school code is 001728. To sign your FAFSA online, you and a parent (if you are a dependent student) must have a Federal Student Aid (FSA) ID number and FSA password. If you don't have a FSA ID number, apply for one now at fsaid.ed.gov. Tax filers are encouraged to use the IRS Data Retrieval Tool when completing the FAFSA.

How do I apply for the Illinois Monetary Award Program (MAP)?

The MAP program is a limited award on a first-come, first-served basis to those who submit their FAFSA early. To increase your chances of being a recipient, file the FAFSA as soon as it becomes available on Oct. 1 each year. Visit the Illinois Student Assistance Commission for complete information on the MAP grant.

How do you determine my eligibility for need-based aid?

The process used to determine need for federal funds is the same at every public and private college in the United States. Using the information from your FAFSA, a formula known as Federal Methodology is applied to determine your "Expected Family Contribution" (EFC), which is the estimated dollar amount your family is expected to contribute toward college costs. Your FAFSA data and the calculated EFC are forwarded to the financial aid office at the colleges you indicated on the FAFSA. Your EFC is subtracted from the cost of attendance (COA) of the schools you have applied to or are currently enrolled in to determine your financial need.

What is the difference between need-based and merit-based aid?

Need-based aid is awarded on the basis of demonstrated financial need on the part of the family; merit-based awards are made on the basis of relevant credentials, talents or achievements of the student and are not influenced by the demonstrated financial need of the family.

Does Morton College offer scholarships?

The Morton College Foundation offers a variety of scholarships. Eligibility factors for these scholarships vary and are determined by the donors. The application period is January through March for the following academic year. Students should apply directly with the Foundation for consideration.

When is the deadline to apply for financial aid?

Students should complete the FAFSA as early as possible to be considered for most grants. All requested documents should be submitted no later than 30 days after the end of the term (summer deadline is Aug. 1). To be eligible for book assistance, all documents must be submitted by July 1 for fall, Dec. 1 for spring and June 1 for summer.

What is Morton's federal school code for the FAFSA?

Our federal school code is 001728.

Should I wait until I am accepted to Morton before applying for financial aid?

No. File the FAFSA by our priority deadline March 1 or as soon as possible thereafter. You must complete a Morton College application and include your social security number for the Morton's Financial Aid office to receive your FAFSA.

Our tax returns aren't ready. Should I wait to fill out the FAFSA?

No. The best thing to do is complete the FAFSA by the March 1 priority deadline, even if you have to estimate your income tax information. You can correct your processed FAFSA once your federal tax returns are available.

Do I have to fill out the FAFSA if I only want a Direct Loan?

Yes. A Federal Direct Loan is a form of financial aid so the federal government requires you to complete the FAFSA.

What is the difference between Federal Direct Subsidized and Unsubsidized Loans?

The government pays the interest on subsidized loans while the student is enrolled at least half-time and during periods of deferment. The student is responsible for all interest that accumulates on unsubsidized loans. Visit the Federal Student Aid website for more information about federal loans.

What happens after I apply for financial aid?

A preliminary EFC (Expected Family Contribution) and SAR (Student Aid Report) will be generated after the FAFSA is filed. If you provided a valid email address and your application was processed successfully, you will receive an email with instructions on how to access your electronic SAR. If you have made a mistake after submitting the FAFSA, you will have to wait until after your application has been processed to make corrections. Corrections can be made through Corrections on the Web. It can take up to 14 days for your school to receive your information.

When will I receive my financial aid letter?

Assuming the deadlines are met, applicants will receive their Offer Letters by the end of June. Log in to the portal to view this information.

When will my financial aid be disbursed to my account?

Assuming the deadlines are met, applicants will receive their Offer Letters by the end of June. Log in to the Panther Portal to view this information.

My family's financial situation has changed dramatically since we filled out the FAFSA. Can the Financial Aid Office review my eligibility?

Yes, federal regulations permit a financial aid administrator to use "professional judgment" to review and possibly recalculate information submitted on the FAFSA if the prior year's information on the FAFSA is not representative of the family's current situation. These situations usually involve changes in employment status, high medical costs or death of the primary provider. Contact the Financial Aid Office if your family has special circumstances that impact their ability to pay educational expenses. Please note: These situations are viewed on a case-by-case basis and are not a guaranteed approval.

Can I apply for financial aid as an independent student?

An independent student is eligible for federal aid if he or she meets the requirements listed on the Federal Student Aid website.

I do not meet the federal definition of an independent student, but I have not lived with my biological parents for many years. How do I fill out the FAFSA?

By federal law, the following conditions do not warrant a dependency override:

- Parents refuse to provide information on the Free Application for Federal Student Aid (FAFSA) application or for verification
- Parents do not claim student as a dependent for income tax purposes
- Parents unwilling or unable to contribute to student's education
- Student demonstrates self-sufficiency.

If you can provide documentation of exceptional circumstances to demonstrate why you should be considered independent, contact the Financial Aid Office for assistance.

If I am an international student. What financial aid am I eligible to receive?

Federal and state financial aid is not available to international students. However, limited institutional scholarships, external scholarships and private/alternative student loans are available.

How many credits must I take to receive financial aid?

Students must be enrolled in eligible programs and applicable courses for the following awards:

- Pell Grant – 1 credit hour
- MAP Grant – 3 credit hours
- Loans, Federal Work-study, SEOG – 6 credit hours
- External/internal Scholarships – Based on donor requirements.

What is the difference between a drop and withdraw?

A drop occurs during the refund period and does not appear on your transcript. If you drop a course, your enrollment will be reduced and the amount you are eligible for will change.

A withdrawal occurs after the refund period and will appear on your transcript as a "W" grade.

If you withdraw from a course, your enrollment is locked and will not change, unless:

- You completely withdraw officially/unofficially from the college
- You never begin attendance in the course.

What is the difference between officially and unofficially withdrawing?

Officially Withdrawing - When students stop attending or academically participating in a course, they must report this information to the Registration office immediately by officially removing themselves from the course. This can occur during the drop or withdrawal periods during the term. For example: Abby is enrolled and begins attending English 101 that meets from Aug. 20, 2016 to Dec. 15, 2016. On Sept. 30, 2016, Abby is in a car accident and is advised by her doctors not to return to school. Abby logs into Panther Portal and "officially" withdraws from the course. Since this occurred after the refund period, a "W" grade will appear on her transcript.

Unofficially Withdrawing

When students stop attending or academically participating in a course and fail to remove themselves from the roster, the student "unofficially withdrew" from the course. This can occur during the drop or withdrawal periods during the term.

For example: Abby is enrolled and begins attending COM 101 that meets from Aug. 20, 2016 to Dec. 15, 2016. On Sept. 30, 2016, Abby is in a car accident and is advised by her doctors not to return to school.

However, Abby forgets to withdraw from her COM 101 course and is still listed as enrolled. Abby's last class attended was Sept. 26, 2016. Her professor last received a homework assignment dated Sept. 27, 2016. Since Abby didn't notify her school she would not be returning, the school determines that Abby "unofficially withdrew" on Sept. 27, 2016 (the last log of academic activity).

Is there an easy way I can estimate the monthly repayment for a student loan or a parent loan?

Yes. For both student and parent loans, you can estimate monthly payment amount and total interest at finaid.org. Click on Calculators.

Do I have to re-apply for financial aid every year?

Yes. To re-apply for need-based federal and state grants, student loans and work-study, all students must complete the Free Application for Federal Student Aid each year. Our federal school code is 001728. Students will be notified if additional forms are needed.

If I receive an offer of financial assistance in my first year, am I guaranteed assistance in all four years?

Students may expect the same level of assistance provided they continue to meet financial eligibility and re-apply each year. The amount of assistance can change significantly when fewer children attend college or the family income increases dramatically. Students also must maintain Satisfactory Academic Progress. Awards are for the academic year only.

I have applied for several outside scholarships. Will my award change if I receive scholarships from outside organizations?

Morton encourages students to apply for outside scholarships to supplement aid offered by the college. Students are responsible for completing the "Outside Resource Notification" form to notify the Financial Aid Office if they are awarded scholarships, grants or employer-based tuition assistance by outside organizations. A copy of the scholarship notification should be forwarded to the office as soon as possible. Unless the outside organization indicates otherwise, the scholarship will be credited 50 percent toward fall semester and 50 percent toward spring semester. Once you report your other resources, your award will be repackaged. If you continue to show unmet need, an adjustment to aid may not be necessary. Students receiving need based assistance cannot have a total aid package that exceeds their demonstrated need.

What if the PLUS loan is denied?

You may be eligible for additional unsubsidized funds. Contact the loan advisor about PLUS loan denial options.

What is verification? Why was I selected? Why do I have to send you extra paperwork?

Some students are selected for a review process called verification. The U.S. Department of Education uses certain criteria to select students for verification. Schools are required to collect specific information and/or documents from the student. The school then must review the documents to verify the accuracy of your FAFSA. This process must be completed before aid can be confirmed and released.

Why can't you talk to me about my child's financial aid?

Morton College is required by law to enforce FERPA, which states we can only disclose information to the student unless written consent has been provided by the student to share information with someone else.

The “Authorization to Release Information (FERPA)” form is in the Office of Admissions and Records (OAR).

Does MC offer a monthly payment plan to help pay tuition/fees?

Full payment or partial payment must be made at the time of registration. Partial payment plans require a down payment of 25 percent plus the \$25 nonrefundable partial payment fee. Students who are dropped for nonpayment must re-register for classes. Re-registration will be permitted based on course availability. Payments must be made at the time of re-registration. All students are charged a \$25 nonrefundable one-time, re-registration fee. Students who register for summer classes must make a payment (33 percent) the same day as registration. Students who fail to make full or partial payment will be dropped from their courses at the close of each business day. Courses are dropped nightly if you do not have the minimum tuition payment (fall and spring—25 percent of tuition; summer—33 percent) except for two circumstances:

1. If you have a complete financial aid file and show eligibility with the Financial Aid Office.
2. Your tuition is covered by a sponsorship and your completed paperwork has been submitted to the Cashier's Office prior to registration.

Note: The college does not mail tuition bills. For more information regarding payment options, contact the Cashier's Office at (708) 974-5715, Building S, Room S105.

Can I receive financial aid for noncredit classes?

The Illinois Veterans Grant and Illinois National Guard Grant are available for noncredit classes. However, most other federal and/or state aid covers only credit classes applied toward a degree or certificate program.

Can I receive financial aid if I already have a bachelor's degree?

The federal and state grants are available for undergraduate students only. Once you have a bachelor's degree or a first professional degree, you are generally not eligible for Pell or Federal Supplemental Educational Opportunity Grants (FSEOG). Scholarships and student loans may be available to eligible students.

What should I do if I am not able to use the IRS Data Retrieval Tool?

You can obtain a tax return transcript (summary of tax information) online from an Internal Revenue Service Office or by calling (800) 829-1040.

Is there financial aid for summer school?

Students who do not exhaust their yearly allocation may have Pell Grant eligibility left for summer.

Student loans are available if the student enrolled in at least six credit hours, is seeking a financial aid eligible program, has loan availability remaining for the year, and is within loan limits. Students can check their loan eligibility to ensure funds remain.

Note: Students must meet Satisfactory Academic Progress requirements during all terms of enrollment.

Which programs and classes are ineligible for financial aid?

To be eligible for federal and state financial aid, a student must be enrolled in a program that is at least 15 weeks in length, offers 16 credit hours and no more than 25% of its course work is held at facilities not approved by the Department of Education. An example of an ineligible

program is the Nursing Assisting certificate because it is only eight credit hours in length. See page 19 for a complete list.

Note: All courses must be applicable to your program of study.

Typically, AA and AS degrees allow electives to be a part of the program. However, certificate and AAS programs are more strict and don't allow for electives. It is the student's responsibility to ensure their courses are financial aid eligible.

What is the next step after completing my FAFSA?

After completing your FAFSA, you must fill out a Morton College application if you have not already done so. You also need to activate your Morton College email account and check it regularly. Once the Financial Aid Office receives your FAFSA, we will email you what documents you need to complete and submit to our office to begin the verification process. Once this process is complete, you can view your Offer Letter on the Panther Portal.

INTEREST-FREE MONTHLY PAYMENT PLAN

HERE ARE THE FACTS WHY...

COLLEGE EXPENSES, WHAT'S YOUR PLAN?

Paying for the rising costs of a college education is a concern for nearly every student and family. The fact is, few of us have the resources to simply write a check for the full cost of tuition each semester. So how are you meeting your costs? What's your plan? Do you have one?

Having a solid plan for covering the cost of college is an important step toward graduation. Morton College is pleased to enlist the services of Nelnet to make the process easier for you.

HERE IS A PROVEN PLAN

To help you meet your educational expenses, Morton College is proud to offer Nelnet as a convenient budget plan. This is not a loan program. You have no debt, there are no interest or finance charges assessed, and there is no credit check. The cost to budget your interest-free monthly payment plan is a \$25 per semester nonrefundable Nelnet Enrollment Fee. You may budget your tuition and fees by either Automatic Bank Payment or monthly credit card deduction.

CONVENIENT ONLINE ENROLLMENT

Enroll in the Nelnet Payment Plan online at <http://my.morton.edu> or at morton.edu and clicking on the Panther Portal link (see page 8 for instructions on how to login to the Panther Portal).

- Under Financial Information click on "Sign up for the Nelnet Payment Plan"
- Click on the correct semester
- Once you are in the NBS website click on Proceed

Be sure to have the following information:

- Student ID number
- The name, address and email address of the person responsible for making the payments
- To protect your privacy, you will need to create your own unique Nelnet Access Code. Please be sure it is something you can easily remember
- Account information for the person responsible for payment.
- If paying by automatic bank payments, you will need the bank name, telephone number, account number and bank routing number. Most of this information is located in your check.
- If paying by credit card, you will need the credit card number and expiration date.

PLACEMENT TESTING

Placement tests measure current skills in English, reading and math. Students will use a computer to complete the Accuplacer test. Accuplacer is untimed, but students should plan to spend up to two hours to complete the full placement test. Placement test results are available immediately. Test results determine placement in English and math courses.

A \$10 retesting fee will be imposed on all students seeking to retake the placement test. This fee applies to all students regardless of program of study. Students who are enrolled in developmental courses are ineligible for retesting.

Placement testing is scheduled Monday through Thursday by appointment. Day and evening appointments are available. For more information call (708) 656-8000, Ext. 2250.

Placement Testing Exemptions—Students with previously earned college credit can be exempted from all or part of the placement test if they submit a college transcript or grade report showing successful completion ("C" or better) in a college-level English composition course/rhetoric course and/or math course.

Students with sub-scores of 18 on the English and Reading portion of the ACT may be exempt from the English portion of the Placement Exam.

INFORMATION CENTER

ACADEMIC ADVISING CENTER

The Academic Advising Center is located on the first floor of Building B, is committed to assisting prospective, new and continuing students in setting and achieving their educational and career goals. Each Morton College student is assigned an academic advisor. Our purpose is to establish a partnership between the advisor and the student to meet each individual's needs and to connect students with other campus resources. Students who meet with an academic advisor will be able to obtain information in the following areas: general advisement and academic regulations, registration, add/drop courses, graduation review, provisional degree audit, suspension/dismissal appeals, and transfer information.

The Academic Advising Center spring semester hours are:
8:30 a.m. to 6:00 p.m. Monday–Thursday
8:30 a.m. to 4:30 p.m. Friday

Information about other academic services, including virtual and on-campus, is available by calling (708) 656-8000, Ext. 2250 or email Advising@morton.edu

NEW STUDENT ORIENTATION

New Student Orientation (NSO) is an essential step in beginning your educational journey at Morton College. It will prepare you to be a successful student during your degree completion. Students can begin Part I of orientation after the completion of the placement exam. Part II will be held on campus for all semester seeking students. New Student Orientation is mandatory for all new students. For more information, call 708.656.8000, Ext. 2250 or Ext. 2444 to retrieve your login information.

NSO Part I

New Student Orientation can be completed at the convenience of the student online, only after students have successfully taken the placement exam for both English and Math at Morton College. The online orientation should take approximately one hour long, and includes quizzes after each module and will allow you to save your space if you need to return to it at another time. Once you complete NSO Part I, you are ready to meet with your assigned Academic Advisor and register for classes.

NSO Part II

You will not want to miss all the fun Part II has to offer new students! New Student Orientation Part II will include a guest speaker, music, raffles, giveaways, and meet with administrators and faculty have lunch with current students.

Students can obtain more information and reserve their seat by calling (708) 656-8000, Ext. 2250 or stopping by the Academic Advising Center, located in the B Building, 1st Floor.

BOOKSTORE

The College Bookstore, located in Room 134C, sells new and used textbooks, software, course supplies, gifts and personal items. Student may use Financial Aid funds to purchase books and supplies. The Bookstore spring semester hours are:

8:30 a.m. to 8:00 p.m. Monday–Thursday
8:30 a.m. to 4:00 p.m. Friday

For all spring courses, books may be returned for a full refund one week from the first day of class with the original receipt. Contact the Bookstore at (708) 656-8000, Ext. 2222, for more information.

SERVICES FOR STUDENTS WITH DISABILITIES

Academic support services for students with disabilities are available by contacting Disabilities Specialist Jennifer Iniquez at (708) 656-8000, Ext. 2250.

CHILDREN ON CAMPUS

For the safety of children on campus, children may not accompany students to class, tutoring or testing sessions. Also, children may not be left unattended on the campus grounds, whether in college buildings, extension centers or at any college event.

SMOKE-FREE CAMPUS

Smoking on Morton College premises in a public place or place of employment and within College vehicles is prohibited. No person shall smoke on Morton College premises. No person may smoke in any privately owned vehicles on Campus. The use of smokeless tobacco products, chewing tobacco and electronic cigarettes on Morton College premises, in public places and places of employment regardless of where located is also prohibited.

This Policy applies to all students, employees (faculty, staff, administrators, and professional staff), visitors, vendors, and contractors; and applies to all Morton College premises.

All employees and students are responsible for being familiar and complying with the requirements of these regulations

Morton College institutes this policy to comply with the Smoke Free Illinois Act (410 ILCS 82 et seq, the "Act") and to ensure that all Morton College facilities and properties are tobacco-free in an effort to provide the faculty, staff, students and visitors with a healthy, respectful working and learning environment.

Any questions regarding the smoke-free campus should be directed to the Morton College Police Department.

DRUG-AND ALCOHOL-FREE CAMPUS

In recognition of the negative effect that the use of drugs and alcohol has on a person's physical and mental well-being, Morton College promotes and maintains a healthy, drug- and alcohol-free learning environment and workplace. The College complies with all federal, state and local laws and ordinances to which it is subject, including the Drug Free Workplace Act of 1988 and the Drug Free Schools and Communities Act Amendments of 1989.

Morton College prohibits the use, possession, distribution, dispensing and manufacturing of illicit drugs or alcohol on Campus property, including buildings, grounds, in College vehicles or any College-leased facility. Anyone on campus under the influence of drugs or alcohol is subject to appropriate sanctions consistent with local, state and federal laws, and may include incarceration and/or monetary fines.

Incidents involving students referred to the campus disciplinary system will follow the procedures outlined in the Morton College Student Handbook. Incidents involving employees will be processed in accordance with applicable laws and labor-management agreements.

DEGREES AND CERTIFICATES

Morton College offers a wide variety of courses to help you achieve your academic, professional and personal goals. At Morton College, you can obtain either an associate degree or a career certificate to enhance your employment marketability. Morton College awards six degrees:

- Associate in Arts (A.A.)
- Associate in Science (A.S.)
- Associate in Applied Science (A.A.S.)
- Associate in Fine Arts in Art (A.F.A.)
- Associate in Liberal Studies (A.L.S.)

Each degree requires at least 62 credit hours for completion. The Associate in Arts, Associate in Science and the Associate in Fine Arts in Art Degrees fulfill the first two years of study for students pursuing a Bachelor's Degree at a four-year college or university. Students are encouraged to meet with a Morton College Academic Advisor and to consult the catalog of the college or university they expect to attend for information about transferable courses. To meet with an advisor, call (708) 656-8000, Ext. 2250.

ASSOCIATE IN ARTS (A.A.)

This degree is for students who intend to pursue a Bachelor of Arts Degree at a four-year college or university. Students must meet the prescribed general education requirements as listed in the Catalog for the Associate in Arts (A.A.) Degree. Students pursuing this degree should complete the remaining required semester hours according to the requirements of the four-year school to which they plan to transfer. Students should consult with an advisor when selecting elective courses to determine credit transferability.

ASSOCIATE IN SCIENCE (A.S.)

This degree is for students who intend to pursue a Bachelor of Science Degree at a four-year college or university. Students must meet the prescribed general education requirements as listed in the Catalog for the Associate in Science (A.S.) Degree. Students pursuing this degree should complete the remaining required semester hours according to the requirements of the four-year school to which they plan to transfer. Students should consult with an advisor when selecting elective courses to determine credit transferability.

ASSOCIATE IN APPLIED SCIENCE (A.A.S.)

This degree is for students who intend to pursue employment upon graduation. Students must meet the prescribed general education requirements as listed in the Catalog for the Associate in Applied Science (A.A.S.) Degree. Students pursuing this degree must complete the remaining required semester hours according to the requirements of the program. Students should consult with an advisor when selecting elective courses. Areas of study within the A.A.S. degree program include:

- Accounting
- Automotive Technology
- Business Management
- Computer Aided Design Technology
- Computer Information Systems
- Early Childhood Education
- Fire Science
- Health Information Technology
- Heating, Ventilation, Air Conditioning and Refrigeration
- Law Enforcement Education
- Nursing
- Office Management Technology
- Physical Therapist Assistant
- Therapeutic Massage

ASSOCIATE IN FINE ARTS IN ART (A.F.A.)

This degree is for students who intend to pursue a Bachelor of Fine Arts Degree at a four-year college or university. Students must meet the prescribed general education requirements as listed in the Catalog for the Associate in Fine Arts (A.F.A.) Degree. Students pursuing this degree should complete the remaining required semester hours according to the requirements of the four-year school to which they plan to transfer. Students should consult with an advisor when selecting elective courses to determine credit transferability. Most schools require a portfolio review for admission to a bachelor's program.

ASSOCIATE IN LIBERAL STUDIES (A.L.S.)

This degree is for students who intend to pursue an individually designed curriculum meeting their specific interests or needs. Students must meet the prescribed general education requirements as listed in the Catalog for the Associate in Liberal Studies (A.L.S.) Degree. Students pursuing this degree should complete the remaining required semester hours according to the requirements of the four-year school to which they plan to transfer. Students should consult with an advisor when selecting elective courses to determine credit transferability.

Co-Requisite Model of Mathematics at Morton College

The Mathematics Department of Morton College piloted co-requisite courses in spring 2019. Morton College now offers (4) Co-requisite courses for students.

Course offerings include:

- MAT 102, General Education Mathematics with MAT 096, General Education Math Support
- MAT 105, College Algebra with MAT 097, Intermediate Algebra Support
- MAT 120, Math/Elem School Teachers I with MAT 097, Intermediate Algebra Support
- MAT 141, Statistics with MAT 098, Statistics Support

Each college-credit course is 4-credit hours and the support course is 2-credit or 3-credit hours.

What is a Co-Requisite?

Co-Requisite is a course design in which students who are assessed below college- ready Math, English, or Reading are enrolled in a first-year college credit bearing course and receive additional academic support or otherwise are instructed in college-level content and receive additional academic support concurrently with college-level material.

Benefits of Co-Requisite Model

- Students are able to complete a college-credit mathematics in one semester instead of two semesters.
- Students will receive extra academic support in order to be successful in college-credit mathematics courses.

PANTHER BALANCE FORGIVENESS GRANT PROGRAM

Morton College will issue forgiveness grants to students enrolling in the Spring 2021 semester to help prevent them from stopping or dropping out of college.

Program Purpose:

To remove financial barriers so students can get closer to completing their degree. Grants provide funding to allow students who want to finish their degrees the opportunity to enroll for the spring 2021, if they have a Spring 2020, Fall 2020 or Summer 2020 previous balance.

Student Qualifications:

- Have a Spring 2020, Fall 2020 or Summer 2020 balance;
- FAFSA Eligible;
- Close to completing their degree (less than 30 credit hours);
- 2.0 cumulative GPA or above;
- Enroll for the Spring 21 semester in at least three (3) credit hours, or fewer if I need less than 3 to complete by January 6, 2021;
- Remain enrolled through the end of the semester;

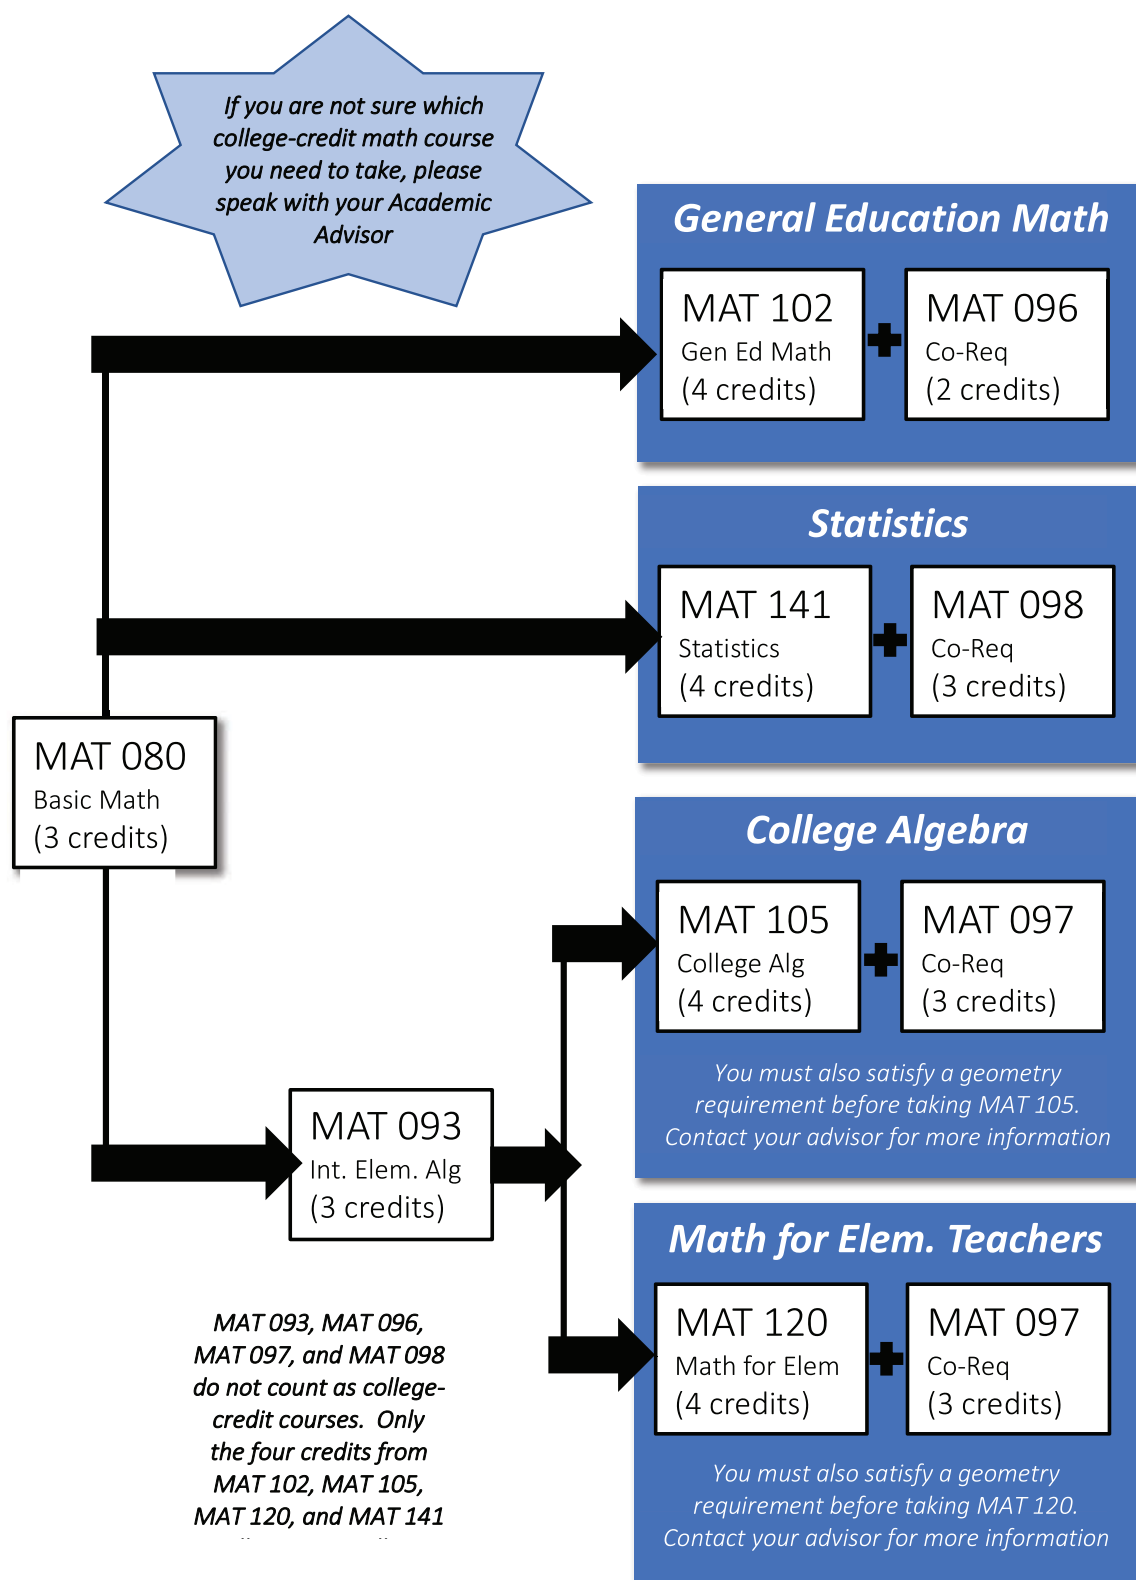

Visit Morton.edu for more qualifications and details.

How to Apply: Visit your Academic Advisor; make an appointment by contacting (708)656-8000 ext.2250 or advising@morton.edu

ADULT EDUCATION

ADULT EDUCATION

Adult Education classes are for students who want to develop basic reading, writing or math skills, earn a high school equivalency certificate (HSEC) or improve their English language skills. High school completion courses are offered in both English and Spanish.

Classes are offered at various levels, at different locations throughout the community and in the morning or evening. Students must take a placement test when beginning the program in order to place them in the appropriate level of coursework. Placement tests are offered weekly, and students sign up for them in advance.

In addition to classes, students have support services available to them through the Support and Retention Specialist, a dedicated computer lab and tutoring through Project CARE. Once students complete the HSEC (English or Spanish), they are able to participate in the annual HSEC Graduation Ceremony, complete with caps and gowns.

NEXT STEPS are classes and programs that help students transition into credit courses. Their focus is to assist students with the training needed to find a career with wages high enough to support a family.

For more information about adult education programs or the class schedule, contact the Adult Education Department at adulted@morton.edu or call (708) 656-8000, Ext. 2373 or 2374.

Another program within the adult education area is Project CARE, an adult literacy tutoring program, which is funded by the Illinois State Library (ISL), a division of the Office of the Secretary of State, using funds designated for literacy. Eligible students for these services are adults whose reading or numeracy skills are below the high school level or adults needing improvement with their English skills. These students are matched with a trained adult volunteer tutor, and there is no charge for this service. For more information about tutoring assistance or to volunteer to become a tutor, contact Project CARE at ext. 2364.

For the purposes of compliance with Section 511 of Public Law 101-166 (the Stevens Amendment), Approximately 38% of the FY21 funding for Adult Education, came from federal sources. The total amount of federal funding received in FY21 was \$422,478.

COMMUNITY AND CONTINUING EDUCATION

Community and Continuing Education non-credit programs reflect the latest industry and real-world development trends and offer exciting learning opportunities for our diverse community. These non-credit classes focus on students' specific interests, and allow them to reach a personal goal, whether that is employment, entertainment, or social engagement, in a short amount of time.

Continuing Education program offers non-credit certificates for job seekers in industries with high-demand positions, including Healthcare, Hospitality, and Logistics & Transportation. Students who earn an employer-recognized certificate are much more likely to find steady employment in the industry of their choice. The certificate courses are also for professionals already working in the field who are looking to advance their careers.

Community Education programs target students who are looking to develop their interests and hobbies, like Ceramics, Yoga, or Auto Maintenance. Morton College offers a review class for the college placement test, Summer STEAM and sport programs for young learners and Skills for Daily Living program for adults with mild to moderate intellectual disabilities.
