Introduction

Safety and security issues are extremely important concerns of parents, students, faculty, staff and visitors to our campus. As an academic community made up of approximately 5000 students, plus a faculty and staff population of just over 500. Morton College understands this concern. We accept the responsibility for providing a learning environment that is as free as possible from any threats to the safety or well-being for all of us who work and visit our campus.

The Town of Cicero is an urban community with a population of around 57,000 residents, and Morton College is located in a residential neighborhood on the south side of the city. Historically, Cicero has been described as a pleasant place to live where crime statistics are low. However, being aware of the potential for criminal activity provides us with the opportunity to be proactive in our approach to the safety and security of our campus.

Campus Police Authority

The Morton College Police Department (MCPD) staff is here to serve you. We attempt to do everything reasonable to provide for the safety and security of our students, staff, faculty and visitors. The College Campus Police Department procedures are coordinated by the Campus Director and Chief of Police. This department is comprised of (4) full time police officers, (21) part-time police officers who are armed and who have arrest powers have the same arrest, detention, and police authority as any other police officer in Illinois. Additionally, Morton College police officers have the authority to enforce Morton College regulations. They have high visibility and are known to faculty, staff and students. The Campus Police Department is located in the first floor, ground level of the C building room 119C.

The College Campus Police Officers conduct foot and vehicle patrols of the campus 24 hours a day when school is in session. The College Campus Police Officers enforce all policies and procedures included in the student handbook. Morton College Campus Police work closely with the Cicero Police Department, Berwyn Police Department and Stickney Police Department as well as state and federal authorities. Additionally, Morton College Police maintains a written mutual aid agreement between all municipal agencies.

In addition, you can view [crime reports](#) or visit our Campus Police Department web page to view statistics on crimes that occur on our campus. You may also view our daily crime log by clicking the crime log link on our Campus Police Department web page <https://www.morton.edu/Crime-Log/>.

These presentations address topics ranging from specific crime-related issues to safety tips, crime prevention, and safety awareness. Confidential Reporting

Individuals who witness or are the victim of crime, but who wish to remain anonymous, may report the crime to the Morton College Campus Police Department on a confidential basis. To do so, individuals should specifically request that they remain anonymous. The report ensures that the occurrence of the crime will be included in the Morton College Campus annual report, assists the police in determining if there is a pattern of crime with regard to a particular location, method, or suspect, and enables the police, in appropriate circumstances, to alert the campus community to potential dangers. Filing an anonymous report may limit the ability of the police department to provide specific assistance or to investigate or solve a crime.

Clery Act

Morton College is committed to informing the campus community of the obligations concerning crime and safety as required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Refer to the Clery Act section of the [Morton College Police website home page](#).

The Clery Act also requires campuses to log and report any fires that occur in on-campus. A “fire” is here defined as “any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.” All fire statistics for the past three years can be found in the Fire Safety Report section. See **Appendix E**.

Statistics on Reported Crimes

As required by federal law, Morton College's yearly crime statistics are compiled on a calendar-year basis using the definitions of crimes provided by the FBI for use in the Uniform Crime Reporting (UCR) system. The Clery Crime definitions are listed in **Appendix D**. The Report includes statistics for the previous three years concerning crimes reported to Morton College Police Department and other local police agencies. This information is passed on to the Chief of Police where it is reviewed. It is then downloaded into the system for review by the federal government and it is then placed onto a website for the general public to review. The crime statistics indicate whether the offense occurred on campus, in on-campus student facilities, in non-campus property owned or controlled by Morton College, or in public property immediately adjacent to and accessible from the campus. For this reason, reported crimes may involve individuals not associated with Morton College. The definitions of "on-campus", "non-campus locations or property", and "public property" are listed in **Appendix A**.

This process starts in February of every year and must be completed in the month of October.

Date	Action	Personnel Responsible
Monthly	Gather pertinent crime info	MCPD
August	Compile report per the Act	MCPD
September	Report is sent to Chief of Police for review	MCPD
October	Report is downloaded federal government system and then on MC website for public review	MCPD

Crime statistics gathered at Morton College have been reported to the U.S. Justice Department's Uniform Crime Reporting System since 1992. The previous three years' worth of statistics are available in **Appendix G** or by visiting the Morton College Police Department in Building C, room 119 during normal business hours.

Statistical information for certain non-campus locations or property owned or controlled by Morton College, as well as public property within or immediately adjacent to and accessible

from the campus, are requested from the Town of Cicero and other local police agencies. In some circumstances, as described in this section, the crime statistics may not be available.

Crime Prevention Programs

The Morton College Police Department offers a variety of programs and information to help the campus community deal with public safety issues. If you would like a presentation on any safety or security related topic, please call the Chief of Police at (708) 656-8000 EXT. 2203.

For more information about crime prevention programs visit the Morton College website at <https://www.morton.edu>

Morton College offers campus security procedures that are discussed during new student orientation. Morton College Police officials participate in forums and meetings to address students and explain college security measures and procedures. Morton College Police department staff will conduct crime prevention presentations when requested by various community groups, including students and employees of the college. During these presentations the following information is typically provided: crime prevention tips; statistics on crime at Morton College and information regarding college security procedures and practices, including encouraging participants to be responsible for their own security and the security for others on campus.

Through the Human Resources department they provide working online courses in accordance with Title IX which are offered by Workplace Answers to staff and faculty members.

Violence Prevention

Active Shooter Video and Presentation

Students and employees can view the [RUN. HIDE. FIGHT.® Surviving an Active Shooter Event video](#), which provides information on how to respond to an active shooter on campus and steps students and employees can take to prevent such a situation. Additionally, on request, The Morton College Police Department will show the video and facilitate a discussion on appropriate safety precautions, having a survivor mindset, and maintaining awareness of one's surroundings.

Communication

The College Campus Police Department sends copies of crime reports/case reports to a limited number of people, depending upon the circumstances. Those who may receive a copy include College President, Inspector General, College Provost, Vice President, Academic Deans, and

others as needed to keep them informed of security incidents. Students who engage in criminal activities off campus are referred to the Dean of Students, Ext. 2439, Room 212B.

The Morton College Campus must provide timely warnings to the campus community when certain crimes are reported to Campus Staff and are determined by the Chief of Police (or the chief's designee) to represent a threat to students and employees. Anyone with information warranting a timely warning should report the circumstances to the Morton College Police Department. Timely warnings will withhold the names of victims as confidential. The Morton College Campus may issue these warnings via postings on campus, through the Campus Alert system, through local news media, or in other ways.

The College does a test of the emergency response and evacuation or shelter in place procedures at least once a year and the College Campus Police department documents the description of the exercise and collects feedback for evaluation and improvement of emergency response.

Student and Staff Responsibilities

The cooperation and involvement of students and staff themselves in a campus safety program is absolutely necessary. Morton College has an "Area Coordinator Safety Committee" comprised of approximately (30) staff members who attend a regularly scheduled meeting to train and discuss safety issues of the campus. Each member of this committee is assigned a specific area of the campus in case of an emergency, and are trained in all events that may arise in an emergency incident. Each member is also assigned an emergency "go bag" that contains necessary equipment and needs in case of a long term campus lock down.

Students and staff must take responsibility for their own personal safety and the security of their own personal property by taking simple common sense precautions. For example, any student or staff (male or female) may feel more comfortable using the escort service when traveling around campus late at night. Classroom and offices are locked at night or when the room is not occupied. Outside doors should never be propped open. Bicycles should be secured with a sturdy lock to provided bike racks. Students and staff with motor vehicles park in the designated parking areas. Vehicles need to be locked at all times and any valuables should be locked into the trunk of the vehicle. Students and staff should report any suspicious looking individuals who do not belong on campus or any suspicious activities immediately to the Campus Police department.

Staying Safe and Secure at Morton College Campus

The Morton College Police Department seeks to provide a safe and enriching experience for students, employees, and others who make use of campus facilities. While the Morton College Police Department makes efforts to keep the campus safe, individuals should take steps to ensure their own and others' safety.

General safety:

Report any suspicious activity or people, safety hazards, unsafe lighting, defective equipment or any other concern to the Morton College Campus Police.

Be aware of your surroundings, know where you are and know where you are going.

Avoid walking alone. Let someone know where you are going and when to expect you.

Plan your walking trips. Choose a well-lighted, populated route.

If you are uncomfortable after dark walking alone, walk with a friend or call for an after dark escort from Campus Police Department.

In Campus Buildings:

Most crime is committed in response to an opportunity. The best prevention is to eliminate opportunities for a crime to be committed.

Avoid working or studying alone in a building at night.

Avoid stairs in remote sections of buildings.

Keep purses and bags locked up in a drawer or cabinet instead of underneath or on top of your desk.

Keep money, stamps and other valuables locked away.

Keep personal belongings in sight or take them with you as you move around a building.

Never prop doors open, even for a short time.

Be cautious of removing jewelry to wash hands. These items are easily lost or stolen.

Financial accounts:

Keep ATM, debit and credit cards in a safe place. Never reveal a PIN number to anyone.

Never loan your ATM card to anyone, no matter who they are.

When possible, use ATM cards in daylight. If that is not possible, use an indoor ATM or one in an otherwise well-lit area.

Safety of buildings and grounds Facility Access

The College's buildings and grounds are monitored and patrolled by the campus police department. The facilities and operations department maintains the building and grounds with a concern for safety and security. They inspect campus facilities to provide prompt service and respond quickly to reports of potential hazards. The campus lighting is normal for the size and nature of the campus and the facilities and operations staff and the campus police safety officer monitors the campus safety as well as lighting improvements when needed and or recommended. The facilities and operations staff maintain an after hour's call out schedule whereby facilities and operations staff can be called to campus after hours to address and repair any safety concerns that need immediate attention.

Emergency Call boxes and telephones are located in the lobbies, foyers, elevators, entrances and parking areas of the campus this includes (25) Panic Alarms assigned to administrative and staff members throughout the college campus. These devices are primarily for emergency services and campus police department. There are (31) interior call boxes and (5) exterior parking area call boxes. They are equipped with a red emergency button which when pushed, automatically connects to the Morton College Campus Police Department dispatchers.

Security surveillance recording cameras are mounted in all campus hallways, entrances, courtyards and parking area of the campus. The cameras recordings are monitored by the campus police officers and campus police department's dispatchers.

All campus classrooms, offices and entrance doors are equipped with "keyless card access cards" that are assigned to police officers, staff, and teachers of the campus.

All security call boxes, surveillance cameras, fire alarm panels, and keyless card access systems are checked daily for any malfunctions.

Alcohol and Drug Policy

Morton College shall make a good faith effort to continue to maintain a healthful learning environment and workplace by conducting a biennial review of this policy and its illicit drug usage and alcohol abuse prevention program.

The consumption of alcohol is prohibited on campus. Any exception to this policy can only be granted by the President for special events hosted by the College or the Morton College Foundation. The request must be made in advance and in writing to the President for consideration. Authorization will be rendered in writing after consultation with the Chairman of the Board. When authorized, the consumption of alcoholic beverages is restricted to active participants of the special event for which the exception has been granted. Further, the College (or Morton College Foundation) representative in charge of any such event, either on campus or off campus, may deny the right of any or all persons to consume alcohol at any such event when, in the discretion of such representative, the consumption of alcohol has become unreasonable.

A. The contact information provided to MC will only be used for campus emergency notifications and other general communications from the College and will not be made available to any other service.

Q. Is Rave Emergency Alert the only communication system that MC will be using for weather emergencies, closings, or delayed openings?

A. No. MC will use other means of communication. Messages will appear on the MC website, Panther Portal page and <http://www.emergencyclosingcenter.com/ecc/home.jsp> as well as local media outlets.

Evacuation Procedure

In the event of a fire, the Morton College Campus expects that all campus community members will evacuate by the nearest exit, closing doors and activating the fire alarm system (if one is present) as they leave. Once safely outside a building, it is appropriate to contact 911 and the Morton College Campus Police at (708) 656-8000 Ext. 2200. Students and/or staff should check in at the assembly area identified in the building emergency plan. No training is provided to students or employees in firefighting or suppression activity as this is inherently dangerous and each community member's only duty is to exit safely and quickly, shutting doors along the exit path as they go to contain the spread of flames and smoke, and to activate the alarm as they exit. At no time should the closing of doors or the activation of the alarm delay the exit from the building.

In the event of another significant emergency, the Morton College Campus evacuation procedures will be influenced by the nature and magnitude and immediacy of the emergency. Evacuations may be for a single building or group of buildings, a campus neighborhood, or the entire campus. Evacuation information will be disseminated using any combination of communication mediums that may be useful given the nature of the incident. Information may include known hazards, general direction to travel or avoid, precautions that may be taken, and where to assemble, if appropriate.

Sexual Misconduct

Morton College is committed to preserving the human dignity of all college community members. The purpose of this policy and procedure guidelines is to: clearly define sexual misconduct; state the reporting options available to victims; describe the college's response to any allegation of sexual misconduct. It is intended to serve as comprehensive guidelines on how to respond to allegations of: Sexual Harassment; Sexual Abuse; Sexual Assault; Domestic Violence; Dating Violence; and Stalking.

Representatives of Campus Police, Student Development and Human Resources have formed a committee to ensure the full implementation of the policy and proper dissemination throughout the college community. The information within this document will be reviewed annually by the team to confirm continued full compliance.

Terms and Definitions

Sexual Misconduct

Sexual Misconduct includes the range of behaviors that are sexual, in nature. The list includes: sexual harassment; gender-based harassment; stalking, dating and/or domestic violence; and sexual violence

Sexual Assault

In Illinois a person commits “criminal sexual assault” if “that person commits an act of sexual penetration and: (1) uses force or threat of force; (2) knows that the victim is unable to understand the nature of the act or is unable to give knowing consent; (3) is a family member of the victim, and the victim is under 18 years of age; or (4) is 17 years of age or over and holds a positions of trust, authority, or supervision in relations to the victim, and the victim is at least 13 years of age but under 18 years of age.” 720 ILCS § 5/11-1.20.1

Consent

Under Illinois law, consent is defined as “a freely given agreement to the act of sexual penetration or sexual conduct in question. A person cannot give consent if they are underage (in Illinois, the age of consent is 17), incapacitated by drugs or alcohol, or temporarily or permanently mentally or physically unable.”

The following points are important aspects of affirmative consent:

- Consent must be ongoing throughout a sexual encounter and can be revoked at any time;
- Consent can be communicated verbally or by action(s). In whatever way consent is communicated, it must be mutually understandable. Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and gauging consent;
- Consent to some sexual acts does not imply consent to others, nor does past consent to a given act imply present or future consent;
- Silence alone (absent a non-verbal action clearly demonstrating consent) is not considered consent. Consent cannot be inferred from the absence of a "no"; a clear "yes," verbal or otherwise, is necessary;
- Affirmative consent can never be given by minors, mentally disabled individuals, or incapacitated persons. A person may be incapacitated as a result of alcohol or other drug use. Engaging in sexual activity with a person whom you know, or reasonably should know, to be incapacitated constitutes sexual assault;

- Consent can only be accurately gauged through direct communication about the decision to engage in sexual activity. Presumptions based upon contextual factors (such as clothing, alcohol consumption, or dancing) are unwarranted, and should not be considered as evidence for consent.

Dating Violence

In Illinois, the Illinois Domestic Violence Act prohibits “physical abuse, harassment, interference with personal liberty or willful deprivation” directed toward “persons who have or have had a dating or engagement relationship.” 750 ILCS § 60/103. “[N]either a casual acquaintanceship nor ordinary fraternization between 2 individuals in business or social contexts shall be deemed to constitute a dating relationship.” *Id.*

Domestic Violence

The complete Illinois Domestic Violence Act can be found at 750 ILCS §60/101, et seq. Under that law, “domestic violence” is defined as “physical abuse, harassment, intimidation of a dependent, interference with personal liberty or willful deprivation but does not include reasonable direction of a minor child by a parent or person in loco parentis.” 750 ILCS § 60/103. Prohibited domestic violence directed at a “family or household member” includes “spouses, former spouses, parents, children, stepchildren and other persons related by blood or by present or prior marriage, persons who share or formerly shared a common dwelling, persons who have or allegedly have a child in common, persons who share or allegedly share a blood relationship through a child, persons who have or have had a dating or engagement relationship, persons with disabilities and their personal assistants, and caregivers as defined in Section 12-4.4a of the Criminal Code of 2012. For purposes of this paragraph, neither a casual acquaintanceship nor ordinary fraternization between 2 individuals in business or social contexts shall be deemed to constitute a dating relationship.” *Id.*

Stalking

In Illinois, a person commits the criminal offense of “talking when, he or she knowingly engages in a course of conduct directed at a specific person, and he or she knows or should know that this course of conduct would cause a reasonable person to:

- fear for his or her safety or the safety of a third person
- or suffer other emotional distress.

[Download the Morton College Sexual Assault, Domestic Relationship Violence and Stalking Policy \(PDF\)](#)

Gender Harassment

Adverse treatment based on held gendered stereotypes. Adverse treatment can include: verbal; nonverbal; physical aggression; intimidation; or hostility based on gender or gender stereotypes.

Intoxication/Drug Protection

Morton College will not find a student responsible for violating the Morton College Rules of Conduct if they are sexually assaulted while under the influence of alcohol or other drugs. Morton College may provide referrals to counseling and may require educational options, rather than pursue conduct proceedings, in such cases. Excluded from this protection are all students accused of encouraging or voluntarily participating in the assault/sexual assault.

Reporting a Complaint

For purposes of this policy, all employees of Morton College have an obligation to immediately report to the Title IX Coordinator, any and all, alleged sexual misconduct that is reported to them or about which they otherwise learn. Employees should also report any alleged sexual misconduct which they experience. Students and third parties who experience or learn about an alleged violation of this policy are encouraged to immediately report the alleged violation to the Title IX Coordinator.

If You are a Victim

- Get to a safe place as soon as you can.
- Try to preserve all physical evidence. Do not wash, use the toilet, or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag.
- Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later wish to take legal action.
- Contact the Morton College Police Department immediately (708)-656-8000 extension 2200 on campus.
- Talk with a counselor who will maintain confidentiality, help explain your options, give you information, and provide emotional support.
- Contact someone you trust to be with you and support you.

If You are a Witness

- Calling police when a potentially violent situation is unfolding
- Do not leave an unconscious person alone (alerting Campus Security or a staff member)
- Intervene when someone is being belittled, degraded or emotionally abused (walk victim away from abuser, contact Morton Campus Police Department, or local police department)
- If you become aware that a Morton College student is the victim of Sexual Assault, Domestic Relationship Violence, or Stalking, contact the Cicero Police Department (911), Morton College Campus Police or the Director of Human Resources/Title IX Coordinator.

Process and Procedures

All handling of Sexual Misconduct violations will follow the appropriate discipline procedures dependent upon the status of the alleged perpetrator. Students accused of sexual misconduct violations will be processed through the Student Code of Conduct procedures. Employees accused will be processed through the appropriate Human Resources discipline process.

Morton College has adopted this process for adjudicating Title IX/Section 504 complaints. Here is an explanation of our process:

1. The complaining party approaches a “responsible employee” with the matter.
2. The Title IX/Section 504 Coordinator – Mireya Perez, (708) 656-8000 Ext. 2289, mireya.perez@morton.edu – is notified.
3. A formal complaint is submitted to the Coordinator. The complaint has to be in writing.
4. The Coordinator reviews written complaint and determines if a possible Title IX/504 violation has occurred.
5. If it is deemed a possible violation, the Coordinator informs the President. If not, the Coordinator informs the complainant, in writing.
6. The President assigns an investigator. The investigator should not be the Coordinator. The President can appoint more than one, if necessary.

7. The Investigator(s) meet with the Coordinator to discuss the process and evidence.
8. The Investigator(s) perform a preliminary investigation and report back to Coordinator.
9. The Coordinator determines if the preliminary investigation warrants questioning of the accused party.
10. If so warranted, the accused party is sent a notice of investigation and is scheduled for questioning.
11. After questioning of the accused and any new witnesses brought forward by the accused, the Coordinator meets with the President.
12. The President will determine if a violation of Title IX or Section 504 was substantiated.
13. If necessary, charges will be levied and a hearing will be convened. A Hearing Officer is assigned by the President.
14. The Hearing Officer assembles a hearing panel.
15. After the hearing, a determination is made by the hearing panel.
16. The determination is shared with all parties. The accused is notified of their appeal rights.
17. If necessary, an appeal is filed with the President's Office.
18. The President appoints a Hearing Officer.
19. An appeal hearing is conducted by the Hearing Officer.
20. A notice of Final Determination is made by the Hearing Officer. Any remedies or sanctions that are levied are implemented in accordance with the Final Determination

The timeline is designed to have a notice of outcome (a completed process) within 60 College business days. This timeline is a generally accepted practice for investigating and concluding Title IX/Section 504 investigations.

However, going beyond the prescribed deadlines does not constitute closure (automatically) to any case. Reasonable delays are expected and should be documented.

Appeal Rights

Any person who has received a Notice of Outcome that they believe is unfavorable to them has a right to file an appeal. The appeal must be in writing and must be received by the President's office or the Coordinator within seven (7) days of the date of the notice. The President will select a Hearing Officer to conduct the appeal. The Hearing Officer should not be any of the following: The President, The Coordinator, or any of the members who served on the initial hearing panel. The hearing should be conducted within 10 days of receiving a notice of appeal from the charged party. A notice of final determination shall be sent to the charged party within 5 days of the appeal hearing.

Any sanctions and/or penalties are meant to be served upon receipt of the Notice of Outcome from the President. The Hearing Officer shall have the authority to stay any remedies that are levied against the charged party, if serving the punishment would make the appeal hearing moot. Nothing in this section shall supersede any employee's rights to due process under existing Board/Union Agreements or any other dispute resolution processes set by the College.

Rights (all parties)

Morton College recognizes that employees and students have basic rights in the full adjudication process. Here are the rights that Morton College will recognize during this process:

1. Right to representation throughout the process. This representation can be a Union representative, lawyer, or peer witness. The parties can change representation at any time during the process by notifying the College and the other side in writing.
2. Right to a fair hearing. Fair means that any conflicts of interests should be avoided and the hearing should be completed by the timeline set forth. Reasonable delays are allowed and should be documented. Both sides should be notified if a reasonable delay occurs. This right means sharing statements and/or notes with both sides so that each side can present a case.
3. Right to notice. All parties should receive written notices of the proceedings, any changes, final determinations, appeals, etc.
4. Right to appeal. Please review the section “Appeal Rights” for more information.
5. Right to confidentiality. This process should be carried out with information being disseminated to those who have a need to know.
6. Right to freedom from retaliation. Please review the section “No-Retaliation”.
7. Right to seek relief outside of this process. Employees are able to pursue this matter through their Board/Union Agreements and/or any dispute resolution process set by Morton College. Students and Employees may seek external remedies, if deemed necessary.
8. Right to refuse to participate in any or all of the process. Please note that refusing to participate could result in a final determination being made with the information that is available.

No-Retaliation

Morton College takes the following stance on retaliation:

“Retaliation against anyone involved in the investigation is strictly prohibited. If you retaliate against anyone involved in this investigation, you will be subject to discipline. If you believe you have been mistreated or otherwise retaliated against because of your participation in this investigation, please inform the Coordinator immediately.”

Morton College views any retaliation, in any form, as a violation of this statement. All charges of retaliation will be pursued vigorously.

Hearing Panels

A Hearing Panel will be convened if the President of the College believes, based on the evidence presented, that a possible violation has occurred. The purpose of the hearing panel is to hear all of the evidence provided at the hearing and render a decision on each complaint submitted.

The decision must either sustained, unfounded, or not sustained each complaint as submitted. The Hearing Panel does not have the authority to conduct investigations of any evidence not presented at the hearing. The panel will consist of five (3) College Community Members: Two (2) Administrators and one (1) Staff. The President of the College will select a Hearing Officer and that Officer will impanel the rest of the members. The Hearing Officer is one of the three members listed above and is the acting Chairperson for this panel. The rules of evidence will be presented to both sides along with the notice of hearing. Each side can have an advocate present their case. However, attorneys can't be used unless Morton College plans to use an attorney. At this point, all parties are free to match that level of representation. Only in cases where the allegations are "not sustained" will the case be eligible for a second hearing. Cases that are ruled unfavorably towards either party can be appealed using the appeal process.

Penalties

Employees who have a charge sustained against them will be subject to the Morton College procedures on employee discipline. Violations, depending the offense, could lead to discipline up to and including discharge. Employees will have the right to due process as it is outlined in the Union contracts, Morton College Policy, and/or, the Employee Handbook. Student penalties will be handled through the Student Code of Conduct process, wherein, potential penalties may include: Warning, Probation, Suspension or Dismissal from the college for students.

Consequences of Alcohol and Drug Violations for Students

All incidents involving drugs and alcohol will be processed through the College's Code of Student Conduct Process. Students found in violation of alcohol and/or drug policies may be subject to sanctions deemed appropriate by the College, such as counseling assessments, educational projects, community service, reprimand, restitution, suspension, probation, or dismissal. Standard sanctions include:

- A. **Fines:** Each student involved in an incident where the College's Alcohol or Drug Policy is violated will be assessed a \$100.00 fine for a first offense. All subsequent incidents in which alcohol and/or drug violations occur will carry with them a \$200.00 fine, per person found in violation. Fines must be paid in cash or by personal check to the Cashiers Office within one month (31 days) of the administrative hearing or hearing panel date, or the date on

which the case is decided. Fine deadlines that fall on a weekend or holiday must be paid in advance of the deadline. Any fine outstanding after one month will be doubled and placed on the student's account. All money collected through fines will be used for alcohol and drug abuse programming or interventions.

- B. Parental Notification: After the first occurrence, parents will be notified when students who are under the age of 21 violate the alcohol policy at Morton College. The College informs parents of students under the age of 21 in all cases where a student violates the College's drug policies. For additional information on parental notification, please contact the Dean of Student Development and Ombuds Services.

Appendix C

Sexual Assault, Domestic Violence, Dating Violence and Stalking

Sexual Assault

If you are raped or sexually assaulted:

- Get to a safe place as soon as you can and call 911.
- Try to preserve all physical evidence. Do not wash, use the toilet, or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag.
- Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later wish to take legal action.
- Contact the Morton College Police Department immediately (708)-656-8000 extension 2200 on campus.
- Talk with a counselor who will maintain confidentiality, help explain your options, give you information, and provide emotional support.
- Contact someone you trust to be with you and support you.

Reporting

The first priority of a student who has been subject to sexual assault should be able to get to a place of safety and call 911 and then obtain necessary medical treatment. Victims of sexual assault may seek and receive medical care free of charge from a local hospital emergency department without submitting a police report. The Morton College Police Department strongly encourages victims to report incidents of sexual assault in a timely manner. Time is a critical

factor for evidence collection and preservation. An assault should be reported directly to the Morton College Police Department. Individuals are encouraged, but not required, to file a police report. Filing a police report will not obligate the victim to pursue a complaint through the criminal process, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- make the victim aware of resources available for confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Morton College Police Department, and the Office of the Director of Human Resources/Title IX Coordinator will also be notified. The victim of a sexual assault may choose for an investigation to be pursued either through the criminal justice system, through a College disciplinary process (when an alleged perpetrator is a student, faculty or staff), or through both processes. Victims may also choose not to proceed as a complainant in a criminal process or in a disciplinary process. A representative from the Morton College Police Department or a member of the VAWA Committee will guide the victim through the available options and support the victim in his or her decision.

[Past Abuse](#)

Many individuals experience sexual assault and never tell anyone about it at the time of the incident. If you were victimized weeks or years ago, assistance is still available to you. Talking with someone now may help you cope better with abuse from the past, whether it was rape, child sexual abuse, incest, or sexual harassment.

[Counseling Options](#)

Morton College has several options available for student victims of sexual assault. The Counselor, Confidential Advisor, or a member of the VAWA Committee can refer to local facilities that can offer them the counseling they need.

It is important to report a sex offense as soon as possible for the protection of the victim and to ensure proper medical/psychological support. In addition, quick reporting enables us to alert the campus community and possibly prevent further violations. At all times, we will work confidentially with the victim, empowering the individual to make informed and realistic decisions as to the disposition of the case.

Information Regarding Sexual Assault, Domestic Violence, Dating Violence, and Stalking

What to do if you are the Victim of Sexual Assault:

- Get to a safe place as soon as possible.
- **To get help, call the police at 911 or if you are on campus, contact Morton College Campus Police Department ((708) 656-8000 ext. 2200 or 2001 M-Fri 6 a.m. - 11 p.m. Sat-Sun 24 hour) or the Director of Human Resources/Title IX Coordinator (708) 656-8000 Ext. 2298 during office hours).**
- Seek immediate medical attention, preferably at an emergency room. Medical personnel are trained to perform a "rape kit" exam, where they are able to gather evidence while examining the victim to help police and prosecutors find and charge the perpetrator. If you might ever want to report the assault, it is important that you do not shower, change clothes, or clean up in any way before going to the hospital, in order not to disturb any evidence medical staff might be able to collect for the police. Sometimes this process can be easier if you have a trusted friend or victim advocate with you.
- Even if you don't want to report the assault to police right now, it is still important to have a medical exam to make sure you are all right. Sometimes people change their minds and want to report to the police later. Also, in addition to treating injuries, medical personnel can test for pregnancy and whether or not you may have been drugged. They can also give you drugs to reduce your chances of contracting sexually transmitted diseases (STDs) or getting pregnant.

- Try to preserve all evidence. Do not throw away clothes or wash, douche, or change. If you must change clothing, put all clothing you were wearing at the time of the attack in a paper (not a plastic) bag.
- Contact the Rape Crisis Hotline (888) 293-2080 or the National Sexual Assault Hotline ((800) 656-Hope) for more support. They can give you counseling, and help you understand your options, such as what medical staff will do during a "rape kit" exam or what might happen while going through the criminal justice system.
- Try to avoid being alone, especially with your attacker, and be alert to your surroundings.
- Get help making a safety plan to avoid or escape a dangerous situation, especially if you know your attacker.
- Make sure you have a safe place to stay.

Domestic Violence - Warning Signs and How to Get Help

Domestic Violence can happen to anyone of any race, age, sexual orientation, religion or gender. It can happen to couples who are married, living together or who are dating. Domestic Violence affects people of all socioeconomic backgrounds and education levels. Abuse is a repetitive pattern of behaviors used to maintain power and control over an intimate partner. These are behaviors that physically harm, arouse fear, prevent a partner from doing what they wish or force them to behave in ways they do not want. Abuse includes the use of physical and sexual violence, threats and intimidation, emotional abuse and economic deprivation. Many of these different forms of abuse can be going on at any one time. You may be experiencing physical abuse if your partner has done or repeatedly does any of the following tactics of abuse:

- Pulling your hair, punching, slapping, kicking, biting or choking you
- Forbidding you from eating or sleeping
- Damaging your property when they're angry (throwing objects, punching walls, kicking doors, etc.)
- Using weapons to threaten to hurt you, or actually hurting you with weapons
- Trapping you in your home or keeps you from leaving
- Preventing you from calling the police or seeking medical attention
- Abandoning you in unfamiliar places

- Driving recklessly or dangerously when you are in the car with them
- Forcing you to use drugs or alcohol (especially if you've had a substance abuse problem in the past) you may be in an emotionally abusive relationship if your partner exerts control through:
- Calling you names, insulting you or continually criticizing you
- Refusing to trust you and acting jealous or possessive
- Trying to isolate you from family or friends
- Monitoring where you go, who you call and who you spend time with
- Demanding to know where you are every minute
- Punishing you by withholding affection
- Threatening to hurt you, your family or your pets
- Humiliating you in any way
- Blaming you for the abuse
- Accusing you of cheating and being often jealous of your outside relationships
- Serially cheating on you and then blaming you for his or her behavior
- Cheating on you intentionally to hurt you and then threatening to cheat again
- Cheating to prove that they are more desired, worthy, etc. than you are
- Attempting to control your appearance: what you wear, how much/little makeup you wear, etc.
- Telling you that you will never find anyone better, or that you are lucky to be with a person like them

How to get help:

- **Contact the Cicero Police Department (911), Campus Police (708) 656-8000 Ext. 2200 or 2001, or the Domestic Violence Hotlines (national: (800) 799-7233; Chicago/local: (877) 863-6338) to get information on campus and local resources as well as your legal options.**
- Identify your partner's use and level of force so that you can assess the risk of physical danger to you and others before it occurs.

- If possible, have a phone accessible at all times and know what numbers to call for help.
- Know the phone number to your local battered women's shelter. If your safety is at risk, call the Cicero Police Department (911).

What to do if you are a victim of Dating Violence:

Dating violence is controlling, abusive, and aggressive behavior in a romantic relationship. It can happen in straight or gay relationships. It can include verbal, emotional, physical, or sexual abuse, or a combination.

Controlling behavior may include:

- Calling or texting you frequently to find out where you are, whom you're with, and what you're doing
- Telling you what to wear
- Having to be with you all the time

Verbal and emotional abuse may include:

- Calling you names
- Jealousy
- Belittling you (cutting you down)
- Threatening to hurt you, someone in your family, or himself or herself if you don't do what he or she wants.

Physical abuse may include:

- Shoving
- Punching
- Slapping
- Pinching
- Hitting
- Kicking

- Hair pulling
- Strangling

Sexual abuse may include:

- Unwanted touching and kissing
- Forcing you to have sex
- Not letting you use birth control
- Forcing you to do other sexual things

Anyone can be a victim of dating violence. Both boys and girls are victims, but boys and girls abuse their partners in different ways. Girls are more likely to yell, threaten to hurt themselves, pinch, slap, scratch, or kick. Boys injure girls more and are more likely to punch their partner and force them to participate in unwanted sexual activity. Some teen victims experience physical violence only occasionally; others, more often.

If You Are a Victim of Dating Violence, You Might...

- Think it's your fault.
- Feel angry, sad, lonely, depressed, or confused.
- Feel helpless to stop the abuse.
- Feel threatened or humiliated.
- Feel anxious.
- Not know what might happen next.
- Feel like you can't talk to family and friends.
- Be afraid of getting hurt more seriously.
- Feel protective of your boyfriend or girlfriend.

Get Help

Being a victim of dating violence is not your fault. Nothing you say, wear, or do gives anyone the right to hurt you.

- If you think you are in an abusive relationship, get help immediately. Don't keep your concerns to yourself.

- Talk to someone you trust like a parent, teacher, school principal, counselor, or nurse.
- If you choose to tell, you should know that some adults are mandated reporters. This means they are legally required to report neglect or abuse to someone else, such as the police or child protective services. You can ask people if they are mandated reporters and then decide what you want to do. Some examples of mandated reporters are teachers, counselors, doctors, social workers, and in some cases, coaches or activity leaders. If you want help deciding whom to talk to, call a crisis line in your area. You might also want to talk to a trusted family member, a friend's parent, an adult neighbor or friend, an older sibling or cousin, or other experienced person who you trust.

Help Yourself

Think about ways you can be safer. This means thinking about what to do, where to go for help, and who to call ahead of time.

- Where can you go for help?
- Who can you call?
- Who will help you?
- How will you escape a violent situation?

Here are other precautions you can take:

- Let friends or family know when you are afraid or need help.
- When you go out, say where you are going and when you'll be back.
- In an emergency, call 911 or your local police department.
- Memorize important phone numbers, such as the people to contact or places to go in an emergency.
- Keep spare change, calling cards, or a cell phone handy for immediate access to communication.
- Go out in a group or with other couples.
- Have money available for transportation if you need to take a taxi, bus, or subway to escape.

Help Someone Else

If you know someone who might be in an abusive relationship, you can help.

- Tell the person that you are worried.
- Be a good listener.
- Offer your friendship and support.
- Ask how you can help.
- Encourage your friend to seek help.
- Educate yourself about dating violence and healthy relationships.
- Avoid any confrontations with the abuser. This could be dangerous for you and your friend.

Stalking—Warning Signs and How to Get Help

Stalking is a crime. A stalker can be someone you know well or not at all. Most have dated or been involved with the people they stalk. Most stalking cases involve men stalking women, but men do stalk men, women do stalk women, and women do stalk men.

Stalkers may:

- Repeatedly call you, including hang-ups or contact you repeatedly through electronic communication and social media.
- Follow you and show up wherever you are.
- Send unwanted gifts, letters, texts, or e-mails.
- Damage your home, car, or other property.
- Monitor your phone calls or computer use.
- Use technology, like hidden cameras or global positioning systems (GPS), to track where you go.
- Drive by or hang out at your home, school, or work.
- Threaten to hurt you, your family, friends, or pets.
- Find out about you by using public records or on-line search services, hiring investigators, going through your garbage, or contacting friends, family, neighbors, or coworkers.
- Other actions that control, track, or frighten you.

How to get help if you are being stalked:

Stalking is unpredictable and dangerous. No two stalking situations are alike. There are no guarantees that what works for one person will work for another, yet you can take steps to increase your safety.

- If your safety is at risk call 911.
- Trust your instincts. Don't downplay the danger. If you feel you are unsafe, you probably are.
- Take threats seriously.
- Contact Campus Police, victim services agency, or a domestic violence or rape crisis program. They can help you devise a safety plan, give you information about local laws, refer you to other services, and weigh options such as seeking a protection order. (See the resources section below for more info.)
- Develop a safety plan, including things like changing your routine, arranging a place to stay, and having a friend or relative go places with you. Also, decide in advance what to do if the stalker shows up at your home, work, school, or somewhere else. Tell people how they can help you.
- Don't communicate with the stalker or respond to attempts to contact you.
- Keep evidence of the stalking. When the stalker follows you or contacts you, write down the time, date, and place. Keep e-mails, phone messages, letters, or notes. Photograph anything of yours the stalker damages and any injuries the stalker causes. Ask witnesses to write down what they saw.
- Contact the police, as Illinois has a stalking law (see applicable state laws).
- Consider getting a court order that tells the stalker to stay away from you.
- Tell a family, friends, roommates, co-workers, Morton College Campus Police Department, and the Office of Student Development about the stalking and seek their support.

Adapted from the National Center for Victims of Crime:

Keeping Safe when Traveling Around Campus and surrounding areas;

- Try to arrive at and leave social gatherings with a group of people you trust
- Avoid giving out your personal information (phone number, where you live, etc.). If someone asks for your number, take his/her number instead of giving out yours

- Keep track of your drinking. Watch your drink as it is made and don't leave it unattended; avoid group drinks like punch bowls
- If you feel extremely tired or drunk for no apparent reason, find your friends and ask them to leave with you as soon as possible
- Make sure your cell phone is easily accessible and fully charged
- Be familiar with where emergency phones are located throughout Morton College campus
- Avoid dimly lit places; take major, public paths rather than less populated shortcuts
- Pay attention to your surroundings. Avoid putting music headphones in your ears and/or using your smartphone when walking alone
- If walking feels unsafe, especially after dark, try to walk with a friend or contact Campus Police to request an escort or utilize the local Taxi Cab Services
- Carry a noisemaker (like a whistle) and/or a small flashlight on your keychain

[What to do if Someone You Know is at Risk of Sexual Assault, Domestic Violence, Dating Violence or Stalking](#)

Morton College is a community and we all have a responsibility to support each other. A “bystander” is someone other than the victim who is present when an act of Sexual Assault, Domestic Violence, Dating Violence or Stalking is occurring or when a situation is occurring in which a reasonable person feels as though some protective action is required to prevent Sexual Assault, Domestic Violence, Dating Violence or Stalking. Bystanders, if active, can prevent harm or intervene before a situation gets worse. Examples of active bystander intervention include:

- Not leaving an overly intoxicated person in a bar/party alone
- Calling police when a potentially violent situation is unfolding
- Not leaving an unconscious person alone (alerting Campus Police or a staff member)
- Intervening when someone is being belittled, degraded or emotionally abused (walking victim away from abuser, contacting Morton Campus Police Department. (Or local police department)
- As a bystander or witness to violence at Morton College, the institution wishes to empower men and women to intervene with peers to prevent an assault from occurring.
- As a bystander or witness of a crime, you will be provided support from the institution and referrals to outside agencies should you require it.

- As a bystander or witness, you will suffer no consequences (academically/financially) for speaking out on behalf of a survivor.

If you become aware that a Morton College student is the victim of Sexual Assault, Domestic Violence, Dating Violence or Stalking, contact the Cicero Police Department (911), Morton College Campus Police or the Dean of Student Development and Ombuds Services.

Orders of Protection

Orders of protection (commonly referred to as restraining orders) are legal orders, put in place by a judge, that restrict or limit the amount of contact a person can have with another person.

Morton College takes all existing orders of protection seriously. If you have an order of protection, protecting you from someone else, we ask that you please inform Campus Police so that they have it on record. This will help Morton College Police in case there is an issue with the offender. To do so, please email Safety Training Officer Cappetta at leilani.cappetta@morton.edu or stop into the Campus Police office.

If you are having an issue with a person, Campus Police can help explain the legal process for obtaining an order of protection.

For more information on obtaining an order of protection, please visit WomensLaw.org

Morton College Education and Prevention Programs

Institutionally, Morton College seeks ways to reduce risk of all crimes on campus. Prevention education programs, referrals and information is available for students and community members on measures utilized by campus police and staff. Morton College employs police officers to patrol the grounds and to respond to all calls for assistance. The campus has “Emergency Buttons” placed across campus in well-lit areas so a student/community member may utilize in the event of an emergency.

Awareness programs are in person sessions or online assessments an individual can participate in to increase their awareness of sexual/domestic violence, support, advocacy and reporting a crime. Morton College will be hosting “Smack’s: Erase The Stigma of Domestic Violence” in the month of October for the campus community. Ongoing prevention and awareness campaigns that use a bystander framework to make community members aware of their role as active bystanders in preventing sexual and relationship violence and stalking offer thoughtful and effective methods to change cultural norms and attitudes in communities. The Illinois Coalition Against Sexual Assault and Illinois Coalition Against Domestic Violence both run prevention and

awareness campaigns throughout the district serving Morton College. April is Sexual Assault Awareness Month and October is Domestic Violence Awareness Month. Primary prevention programs, “Approaches/interventions/programs that take place *before* sexual violence has occurred to prevent initial perpetration or victimization”.

(CDC: <http://www.cdc.gov/violenceprevention/pdf/svprevention-a.pdf>)

Morton College also has an annual educational campaign consisting of presentations that include: New Student Orientation, New Employee Orientation, New Faculty Orientation, Communication Program (to include signage, brochures, and email), Campus Police Authorities, Web-based Manager Training, and Campus Police Officer Training.

[Appendix K: MC Police Domestic Violence Packet](#)

Illinois Domestic Violence Act Victim Information from the Office of Illinois Attorney General Lisa Madigan

Domestic Violence Is a Crime

Any person who hits, chokes, kicks, threatens, harasses, or interferes with the personal liberty of another family or household member has broken Illinois domestic violence law. Under Illinois law **family or household members** are defined as:

- family members related by blood or marriage;
- people who are married or used to be married;
- people who share or used to share a home, apartment, or other dwelling;
- people who have or say they have a child in common;
- people who have or say they have a blood relationship through a child;
- people who are dating or used to date, including same sex couples; and
- people with disabilities and their personal assistants.

Orders of Protection

An order of protection is a court order which restricts someone who has abused a family or household member. An order of protection may:

- prohibit abuser from continuing threats and abuse (abuse includes physical abuse, harassment, intimidation, etc.)
- order abuser out of a shared home or residence;
- order abuser out of that home while they are using drugs or alcohol;
- order abuser to stay away from you and other persons protected by the order and keep abuser from your work, school, or other specific locations;
- prohibit abuser from taking or hiding children, give you temporary custody, or require the abuser to bring the child to court;
- require abuser to attend counseling;
- require abuser to turn weapons over to local law enforcement; and/or
- prohibit abuser from other actions.

To Obtain an Order of Protection, You Can:

- Contact a domestic violence program for help completing the forms
- Ask your attorney to file in civil court
- Request an order during a criminal prosecution
- Go to your local circuit court clerk's office and obtain papers to seek an order of protection for yourself

Law Enforcement Response

Law enforcement should try to prevent further abuse by:

- Arresting the abuser when appropriate and completing a police report;
- Driving you to a medical facility, shelter or safe place or arranging for transportation to a safe place;
- Accompanying you back to your home to get belongings; and
- Informing you about the importance of saving evidence, such as damaged clothing or property, and taking photographs of injuries or damage.

Criminal Prosecutions

If an arrest wasn't made and you wish to seek criminal charges against your abuser, bring all relevant information, including the police report number and this form to your local state's attorney. You may want to contact a local domestic violence program so they can help you through the system.

If Abuser Contacts You after an Arrest

If the abuser was charged with a crime and you or another victim is a family or household member, that abuser probably was ordered not to contact you for at least 72 hours. If the abuser does contact you soon after an arrest, you should call the police because the abuser can be charged with an additional crime, violation of bail bond.

Violation of an Order of Protection

You should also call police if the abuser disregards a part of the order of protection, because that *is* another crime, violation of an order of protection.

Appendix L: GUIDELINES FOR DOMESTIC VIOLENCE AND ORDERS OF PROTECTION

Applicable for the Circuit Court of Cook County

Domestic violence is a crime. No one should ever be hurt by someone they love. In order to become a survivor of domestic violence you need to get help from the court system, police, and community resources available to you.

This document can answer questions about domestic violence, how to obtain an Order of Protection, and the courthouses near you.

If you have any other questions, please do not hesitate to call Office of the Clerk of the Circuit Court of Cook County at (312) 325-9467, (312) 325-9468, or (312) 325-9500; they are here to help you.

WHAT IS DOMESTIC VIOLENCE? Domestic violence is any physical, emotional, or sexual abuse of a household or family member by another.

WHO CAN BE PROTECTED? The IDVA (Illinois Domestic Violence Act) defines household or family members who can be protected as follows: people who are married or formerly married to each other; people who are related, like parents, children, siblings; aunts, uncles, cousins, grandparents, stepchildren, and step parents; people who live together or formerly lived together; people who are dating or formerly dated; people who are engaged or formerly engaged; and people with disabilities.

WHAT IS AN ORDER OF PROTECTION? An Order of Protection is a court order signed by a judge. It is designed to protect a petitioner (the person who has been hurt) from the respondent (the person who hurt the petitioner.)

WHERE CAN I GET AN ORDER OF PROTECTION? There are several options.

Criminal Court: if the person who has been hurt (the petitioner) signs a criminal complaint against the person who hurt him or her (the respondent). The State's Attorney's Office then prosecutes the respondent and helps the petitioner get an Order of Protection. The petitioner can only keep the Order if she, or he, follows through with the criminal case.

Civil Court: If the petitioner chooses NOT to press charges the Order of Protection can be granted by a judge in an independent action. In **Civil Court**, the petitioner can have his or her own attorney or can represent him or herself; this is called pro se.

Child Support Court, Divorce Court, Juvenile Court and Probate Court: A petitioner can also request an Order of Protection in other courts where they are parties to a pending action against the respondent.

The Order of Protection is the same, no matter which court grants it.

HOW MUCH DOES THE ORDER OF PROTECTION COST? The Order of Protection is free. There are no fees for filing the Order. The Sheriff's office serves the Order on the respondent without charge.

HOW DOES THE RESPONDENT LEARN ABOUT THE ORDER OF PROTECTION? Once a judge grants the Order, it is filed in the Clerk's Office. A copy is sent to the Sheriff's Office and a Sheriff's deputy can then serve a copy of the Order to the respondent (the person who hurt the petitioner).

CAN A MINOR GET AN ORDER OF PROTECTION? Anyone who is a protected party under the Illinois Domestic Violence Act is eligible for an Order of Protection. Minors, under the age of 18, (and some people with disabilities) need an adult to ask for the Order on behalf of the petitioner.

WHAT ARE REMEDIES? Remedies are actions the respondent must do or stop doing to the petitioner. For instance, the Order could make the respondent stay out of the shared home for a period of time; or stop harassing or abusing the petitioner; or pay costs if the petitioner had to run away to a safe place. There are 18 different remedies. The Order of Protection forms list each of them.

DO I NEED A LAWYER TO GET AN ORDER OF PROTECTION? An Assistant State's Attorney is your attorney when you go to Criminal Court. In Civil Court, it is always a good idea to have an attorney in court with you. You may qualify for free legal assistance, depending on how much money you earn. If you need to hire an attorney, call the Chicago or Suburban Bar Associations for a referral. If you do not qualify for free legal assistance, and you cannot afford an attorney, you can act as your own attorney. You must bring the respondent's date of birth, social security number and address with you to complete the forms. The Clerk's Office in each court has the forms you need.
