

# COVID-19 VACCINE REQUIREMENTS

**Effective January 3, 2022, any individual 5 years of age or older will be required to show proof that they are fully vaccinated against COVID-19 to visit the Morton College Fitness Center.** This new update is in compliance with Cook County Department of Public Health Mitigation Order 2021-11. We will continue to review local, state, and national governmental guidelines in response to COVID-19's impact in our college community.

## **Valid Forms of Verification Include:**

- **Vaccination Card**
- **Photocopy of Vaccination Card**
- **Digital Copy Record or App**
- **Printed Record from a Vaccine Provider**

All members and guests (regardless of vaccination status) are required to wear face coverings over their nose and mouth at all times when entering and exiting the center, when in all public areas including locker rooms, and when not actively engaging in exercise.

*Exemptions: Order 2021-11 allows for exemption for individuals who have previously received a medical exemption, provided such patrons provide the covered entity proof of the medical professional within the last 24 hours prior to entering a covered location. No religious exemptions are allowed under the order.*
