Read, initial and complete back side of this form. Do not leave any blanks.

- ___ 1. If my benefits do not completely cover my tuition bill or I am ineligible, I am responsible for making payment immediately to the Cashier's Office.
- ___ 2. I have reviewed the Standards of Academic Progress, and I understand I must meet all of the guidelines to continue receiving benefits. This includes maintaining a 2.0 cumulative grade point average (GPA) and completing 67% of the total attempted course hours. *Please note: State Military programs only require a 2.0 GPA.*
- ___ 3. I understand I cannot be paid for a repeating course in which a passing grade of A, B, C, or D has been previously received.
- ___ 4. I understand that each semester I must submit a Military Benefit Request Form. I must immediately submit an updated class schedule to Financial Aid when any changes are made.
- ___ 5. I understand that Morton College will begin processing new enrollment certifications 30 days-prior to the start of each term and may take up to three weeks to be processed. Only one class schedule can be submitted for certification. Any additional adjustments increasing enrollment will not be processed until after the first refund period. Any adjustments decreasing enrollment may reduce my monthly educational benefits. Failure to submit a final schedule or report schedule changes can impact my certification and receipt of educational benefits.
- ___ 6. The VA will not pay for courses I do not attend, and courses I withdraw from. These courses may result in returned tuition and fees to VA and/or reduction of monthly benefits and create a balance on your student account at Morton College. This will result in a restriction to your student account at Morton College.
- ___ 7. For Post 911 GI Bill Benefits, I understand I must submit all previous transcripts to the Office of Admissions and Records for review. Failure to do so in a timely manner can result in postponed educational payments by the VA.
- ___ 8. I understand that not all classes or programs are eligible for Military Benefits. Even if eligible for financial aid, these courses/programs will not be paid with these funds. I must declare an approved degree/certificate and follow the requirements for that program.
