- You're only eligible for scholarships and student loans.

I earned my bachelor's degree in a foreign country.

- If your bachelor's degree was received in a foreign country, it must be evaluated by an accredited agency to ensure it is the equivalent of a U.S. bachelor's degree. We recommend Educational Perspectives. Please visit edperspectives.org, or for assistance with finding other accredited agencies, visit the National Association of Credential Evaluation Services at naces.org.

If you have a bachelor's degree whether it was earned in the U.S. or in a foreign country, please meet with an academic advisor to obtain a Degree Audit Worksheet only if you are pursuing a Morton College degree in Applied Science degree or certificate that is at least 16 hours in length that are financial aid eligible. Please note the program of study on file must match the degree audit to be considered for financial aid. You are not eligible for aid if you are not degree/certificate seeking at Morton College. You may call the Academic Advising Center at 708.656.8000 Ext. 2250 for availability.
