*** Federal regulations require one semester student loans to be disbursed in two equal payments.***

**Financial Aid Pell Recalculation Date (PRD)

Financial aid payments will be disbursed based on the number of credits you are enrolled in on the PRD. After this date, adjustments will not be made if you add/drop courses. Students should register for all courses for the semester prior to the census date. Any course(s) added after the census date will not be funded by financial aid.

Your financial aid award will be recalculated for any courses recorded as "Dropped" (D), "Withdrawn" (W) (before the census date) or reported as "never attended" by your instructor.

You may be required to repay the financial aid you received if you drop a course, you never attend a course and/or if you discontinue attending a course.

Students are advised to confirm their attendance in each of their courses prior to the financial aid census date.

NEW Student Loan Important information

Effective July 1, 2026, Federal Direct Loans must be prorated for students enrolled less than full-time beginning with the 2026–2027 academic year. Students must be enrolled at least half-time to be eligible for these loans.

Classes Required for Your Program

Financial aid will only cover courses that are applicable to your program of study on file. Courses not needed or applicable to your program will not be eligible for financial aid. You should meet with your Student Success Coach (SSC) to ensure the courses you are taking are required for your program.
