ARMED FORCES AND FOREIGN MISSIONARY STUDENTS

U.S. Armed Forces members and foreign missionaries qualify as Illinois residents if they:

- physically resided in Illinois immediately prior to entering the U.S. Armed Forces (missionaries must reside in Illinois for six continuous months prior to entering missionary service);
- return or plan to return to Illinois within six months of the conclusion of service; and
- can demonstrate that their domicile was Illinois throughout such service.

A foreign missionary is an individual who is assigned duty outside the United States by an organization that engages in educational, philanthropic, humanitarian, or altruistic works. The missionary organization must have been engaged in placing foreign missionaries for at least five years and must be exempt from the payment of federal taxes. Some examples of such organizations include the Peace Corps and the Evangelical Alliance Mission.

Applicants who are the spouses of U.S. Armed Forces members or foreign missionaries must demonstrate that their absence from Illinois was the result of residing with a spouse during the period of service outside the state, and must also demonstrate that their domicile continues to be Illinois.

Please note supporting documentation for absence from Illinois is in addition to the documentation on the front page.
